THANK YOU FOR TALKING TO YOU KNOW WHO -
YOU BOYFRIEND. HE SAID HE WOULD BUT IT WOULD
BE REALLY DUMB. AMY, DON'T YOU DARE GIVE HIM
THAT NOTE OR I WILL KILL YOU. I'M SUPPOSED
TO WRITE A LONG NOTE - HA HA. THAT WILL BE IMPOSSIBLE
I MADE A 92 ON MY Science test. You have to
spend the night with me SOMETIME. Now, I HAVE
TO ASK YOU A VERY IMPORTANT QUESTION. HOW IS
YOUR DAD? TELL HIM I HOPE HE FEELS BETTER. I'M
FOOLING AROUND WITH THE AIR CONDITIONER AND DAVID
REESE GIVES ME A LOOK -  OH WELL. YOU HAD A GREAT
PARTY. HOPE MINE'S GONNA TURN OUT THAT GOOD. YOU KNOW
IT WON'T THOUGH, OF COURSE, NEXT YEAR YOU HAVE TO
PLAY ON THE STANDARD GUB TEAM (TENNIS). IF YOU
DON'T, I MIGHT HAVE TO COME TO THE PACE TEAM, AND
THAT WOULD BE TERRIBLE BECAUSE I WON'T MAKE IT.
REMEMBER THAT GROSS GUY AT THE CLUB?
GOD, I ALMOST FAINTED THE FIRST TIME I SAW HIM.
REMIND ME TO TELL YOU ABOUT IT. I HATE HIS VOICE

The 1975 Pace school year offered many choices for involvement. The Harvest Bazaar, choral presentations, and the "Fifties Day" gave students a variety of opportunities for participation. Individual talents were cultivated, and students learned that they got out of activities just what they put into them.

We also learned from people outside of the Pace family. Special assemblies brought us distinguished speakers and accomplished performers whose skills broadened our knowledge and increased our understanding of the world around us.

DETERMINATION

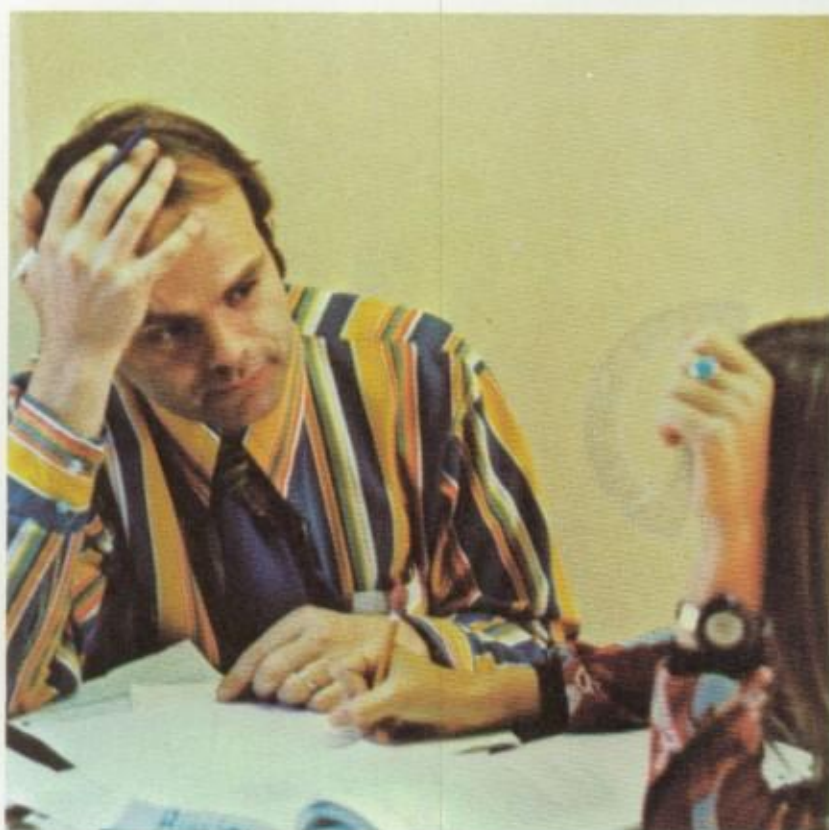

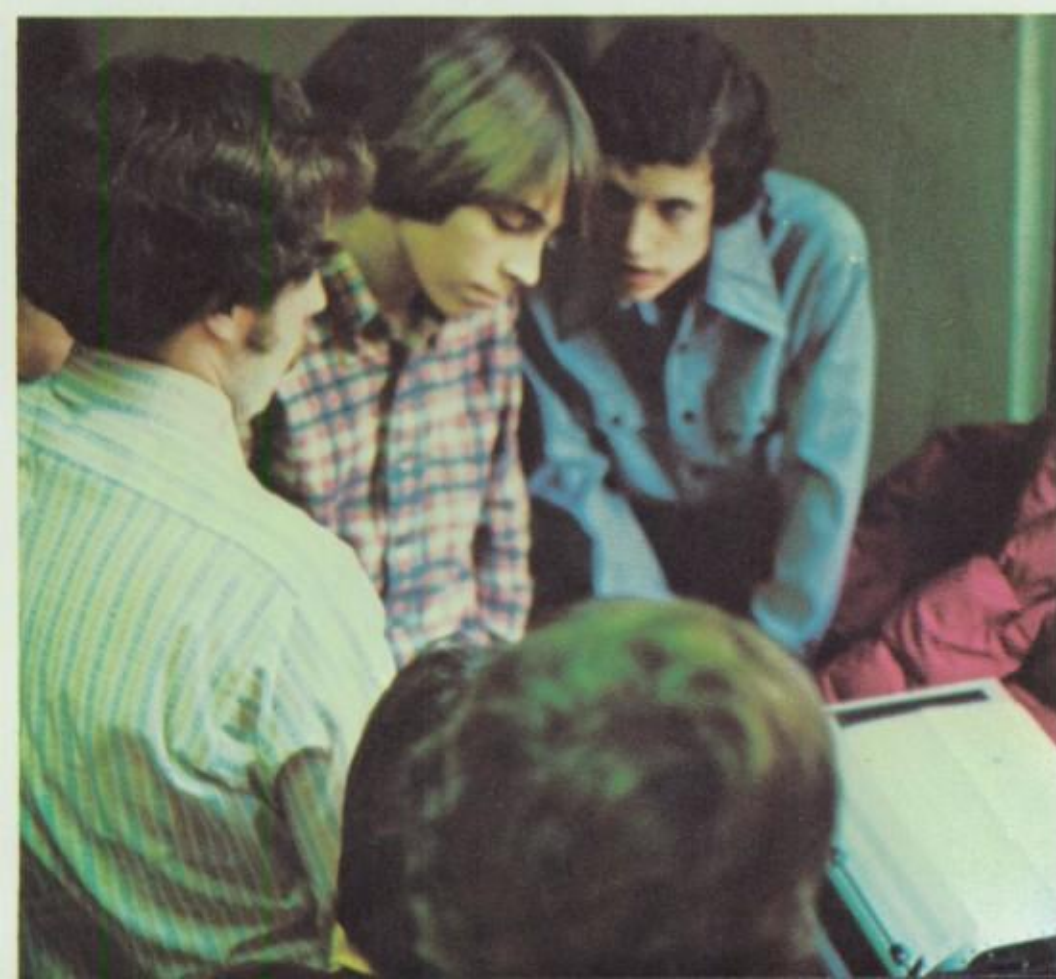

Team effort, individual determination, and dependable coaching were all factors in a highly successful year for the Pace Knights. Dedicated athletes and debaters alike worked long, hard hours to make the 1974-75 year prosperous. Student body cooperation and enthusiasm gave support to the Knights in defeat and recognition to them in victory. As an important phase in the development of the total student, these all played an important part in making us whole.

SCHOLARSHIP

Last minute schedule changes, unexpected assemblies, and deviations from established patterns at times caused confusion, but Pace students learned to adjust to change. Flexible schedules allowed students time for individual help with academic problems, group conferences with teachers, and rap sessions with fellow classmates. Students and teachers could always benefit from a day at Pace.

Dedication

The Pace yearbook staff is extremely pleased to dedicate the 1975 PACESETTER to Mrs. Ruby Marlowe. When she lived across the street, it was only natural that she should do some supply teaching at Pace. After that she began full time at Pace as librarian. Since then she has also shown her ability by working in several other positions including Business Manager, Office Manager, and Dietitian. She has also stayed or baby-sat many a weekend with Pace students whose parents had to be out of town. She always helps when-

ever asked, and her enthusiasm is infectious. In the Student-Faculty Olympics this year she played and cheered in the basketball game, swam in the tube race, and first caught and then umpired in the softball game. One of her hobbies is flower arranging, and she is an official flower judge. As a cateress for weddings and Pace parties the settings are always pretty, and the food is always delicious and beautifully served. We all appreciate her deep affection and her untiring efforts for Pace, and we hope she will be at Pace for many more years.

C R E A T I V I T Y

In everyone's life there is a time to be creative, to re-affirm special talents and to develop new ones. Pace gives everyone a chance to express himself. Through service projects and clubs, a Pace student has the opportunity to strengthen ties with fellow students, faculty, parents, and the community. Activities at Pace allow students many opportunities to be creative and many chances to become closer friends.

Harvest Bazaar

The Pace Academy Harvest Bazaar once again proved to be profitable for the Parents Club. Cotton candy, the Space Walk, the plant booth, and the photography booth brought resources to both the buyer and seller. Mrs. Wilmot and many other parents worked long hard hours to prepare for the event.

Fine Arts Week

Fine Arts Week was different this year because it was presented in mid-winter rather than in the spring. Mrs. Nations was chairperson for the program. The program included many aspects of the fine arts. The Socc and Buskin Players of Kenesaw Junior College presented their version of "The Canterbury Tales." The Pace Players presented "Schubert's Last Serenade" which placed third in the Literary Meet. Opera highlights sung by Mrs. Jean Lemonds, Mrs. Susan Poole, Mr. Sam Hagan, and Mr. Verley Spivey were presented from Gounod's ROMEO AND JULIETTE, Rossini's THE SEIGE OF CORINTH, Verdi's FALSTAFF, and Puccini's LA BOHEME. Beverly Gilbert, a talented piano soloist, also performed before both the upper school and the lower school.

Local artists came to spend the day at Pace. Margaret Mott, a graduate from St. Martin's School of Art, showed her many weaving skills. Pottery creations were presented by Rick Berman, a graduate from the University of Georgia. Block prints were shown by Arthur Skinner, a graduate from Eckerd College. Mr. Skinner studied printing for one year in Italy. Miss Wylene Commander exhibited some of her excellent paintings of African scenes and animals and gave a talk on them. Mrs. Amelia James also exhibited some of her paintings.

Change of Pace

The visit to Pace by the Cambell-Stone residents helped to illustrate that people of all ages can enjoy each other's company. Students exhibited art works, sang musical selections, and provided tours of the Pace campus. The residents reciprocated by singing for the students. The students and residents both agreed that the day was a great learning experience for all.

Dances

Boogie! Boogie! Boogie! This year Pace had four dances. The first was in the Fall, a "get acquainted" dance. The Christmas dance was held before Christmas vacation and was divided into seventh and eighth grade and ninth through twelfth grade, though many visited each others dances. The third dance was new this year. A genuine 50's juke box was used to play the music after one of the Pace basketball games. The last dance featured music by a group of Pace students who call themselves "Trash." Between jukebox music, "Choice," "Trash" and others, Pace students had plenty of chances to dance.

Junior-Senior Prom

Tentative plans were made to have the Junior-Senior inside in case of rain, and for a while it seemed likely that it would rain, but fortunately the rain failed to appear. The gardens were very pleasant, and everyone enjoyed the dance. Jill Steenhuis had a delicious breakfast at her house for the dancers, and slides were shown.

Lower School Music

Under the direction of Mrs. Jane Murphy, the Lower School Music program had expanded, incorporating new groups. The Maids-in-Waiting was made up of fifth and sixth grade girls. They sang at Pace as well as at the Fairmont Hotel and at the Museum of Art. The fifth grade produced a show called "We'll Find America." It was a hit, and they were asked to perform at Lovett, Christ the King, and Morris Brandon. Some of the other music classes sang carols at Lenox Square. They have all done an outstanding job.

Upper School Music

The choral groups, trios, and solos of the High School Music Department were enjoyed by the entire school. The hard work of practicing every Tuesday night at 7:00 p.m. paid off throughout the year. The chorus sang at the Christmas programs at Pace and at Lenox; at May Day, and with the opera during Fine Arts Week. The quartet sang at the Christmas program and at the Literary Meet. The trio performed at the Christmas programs at Pace and Lenox, at the Literary Meet, and at the Solo-Ensem-

ble Festival where they received an "excellent" rating. The Girls Ensemble performed at the Christmas programs at Pace and Lenox, at a Change of Pace, and at the Solo-Ensemble Festival where they also received an "excellent" rating. All those who attended the music programs certainly saw the talent of the participants. The highest music awards went to Robin Mills and Allen Pait. Robin has been an outstanding contribution to the Pace music program throughout her

high school career; she has been involved in every aspect of the music program from piano soloist to one of the lead stars in the "Sound of Music." Like Robin, Allen has been a constant contributor to the music program. He has been involved in everything from constructing sets to winning first place as a baritone soloist at the Literary Meet. One can see the participants of the high school music program were involved in every aspect of music.

Pace Picnic

A Midsummer Night's Dream

The Pace Players and director George Mengert enthusiastically performed William Shakespeare's "A Midsummer Night's Dream" in the gardens in May. It was an outstanding performance; the audience especially enjoyed the Mechanicals' scenes.

Schubert's Last Serenade

"Schubert's Last Serenade" placed first in the Region 7B one-act play competition and third in State Class B. The actors gave a superior performance, and those who saw the play enjoyed it immensely.

The Case of the Crushed Petunias

The Junior High Drama Group's first production was "The Case of the Crushed Petunias" by Tennessee Williams. The production, depicting the life of a stuffy young lady who was brought to life by a young man, was enjoyed by both actors and audience.

May Day

May Day, an annual Pace event, gets better each year. The pageant was very colorful; Anne Farr, a Georgia State student, was trumpeteer. The Pace choral groups entertained with help from lower school students who did may pole dances, and members of the gymnastics team performed acrobatic dances. The event was completed in the evening with a banquet prepared by Mrs. Marlowe which was served to the May Court and their parents.

The court wore traditional costumes of the medieval period. Serving on the tenth grade court were Gail Ansley, Mary Bradshaw, Bill Davis, and Ray White. Lenny Cohen, Claire Fowler, Tuck Perkins, and Lydia Pilcher were elected to the eleventh grade court. Carolyn Baker, Louise Griffith, David Primm, and Reid Smith were the twelfth grade court representatives. Roger Strauss and Robin Mills, king and queen, were honored by their court and those who attended the festivities.

Field Days

(Kindergarten)
there is my boyfriend

There were three field days again this year. The first was for the first through third grades. The second was for the fourth through the sixth grades. Unfortunately the second had to be postponed because of rain, but it worked out well anyway. The third field day was for grades seven and eight. Everyone had fun and there were quite a few sunburned noses to show for the next day.

Skidaway

Ten of Pace Academy's best biology students went to Skidaway Island near Savannah, Georgia. Mrs. Marting and Mr. Mollenkamp were the sponsors; with their guidance, the participants were able to mix fun with learning.

The Pace students visited an aquarium at the Skidaway Institute and heard lectures by Sim and Sam. Under the direction of Mrs. Marting and Mr. Mollenkamp, the Pace students conducted topography studies on the beach, dissected fish, collected water samples for plankton, and tested the water for Ph and salinity.

The major form of entertainment was charades; Louise Griffith was the best charade player which resulted in her receiving the name Lizard. No one starved because Melissa Mouchet was the head cook, but Nancy Mezritch was on a diet. Despite Louise's entertainment and Melissa's cooking, Reid Smith managed to complain. All the way around, Skidaway turned out to be great fun and very interesting.

Student Council

The Pace Student Council, headed by Louise Griffith, proved to be a very effective organization this year. The Council recommended changing the grade equivalence scale for demerits. The organization raised school spirit by sponsoring two school dances. The Council also sponsored all money-raising and service projects for the classes. Toward the end of the year, the Council attempted to alleviate hall regulations. With Joe Barton's leadership, we all hope next year's Student Council will be as positive and progressive.

SPONSOR: Ms. Helen Smith.

National Honor Society

The National Honor Society sponsored a bake sale to send members to a state convention at Jekyll Island. They also procured the library so students could use the library facilities during the lunch hour.

SPONSOR: Mrs. Barbara Hunter.

Interact

Interact, a service organization, had a very busy year. The year started off with the "Cool it professor" booth at the Bazaar. It was followed by a Halloween Carnival for Pace and AVA kids. Later in the fall, a car wash was sponsored by the Interact club. During late winter, the club sold car wash tickets for Exxon. In the spring, they sponsored an Easter egg hunt for Pace kids. Later in the spring, Interact sponsored a baby sitting program during the Pace picnic. Throughout the year, the Pace Interact Club sponsored a Korean orphan, Sun Hee. The club also sponsored the coke machine in the student center. The club ended the year by sending four people to convention. Truly, Interact had an excellent year.

SPONSOR: Mr. J. Robert Chambers.

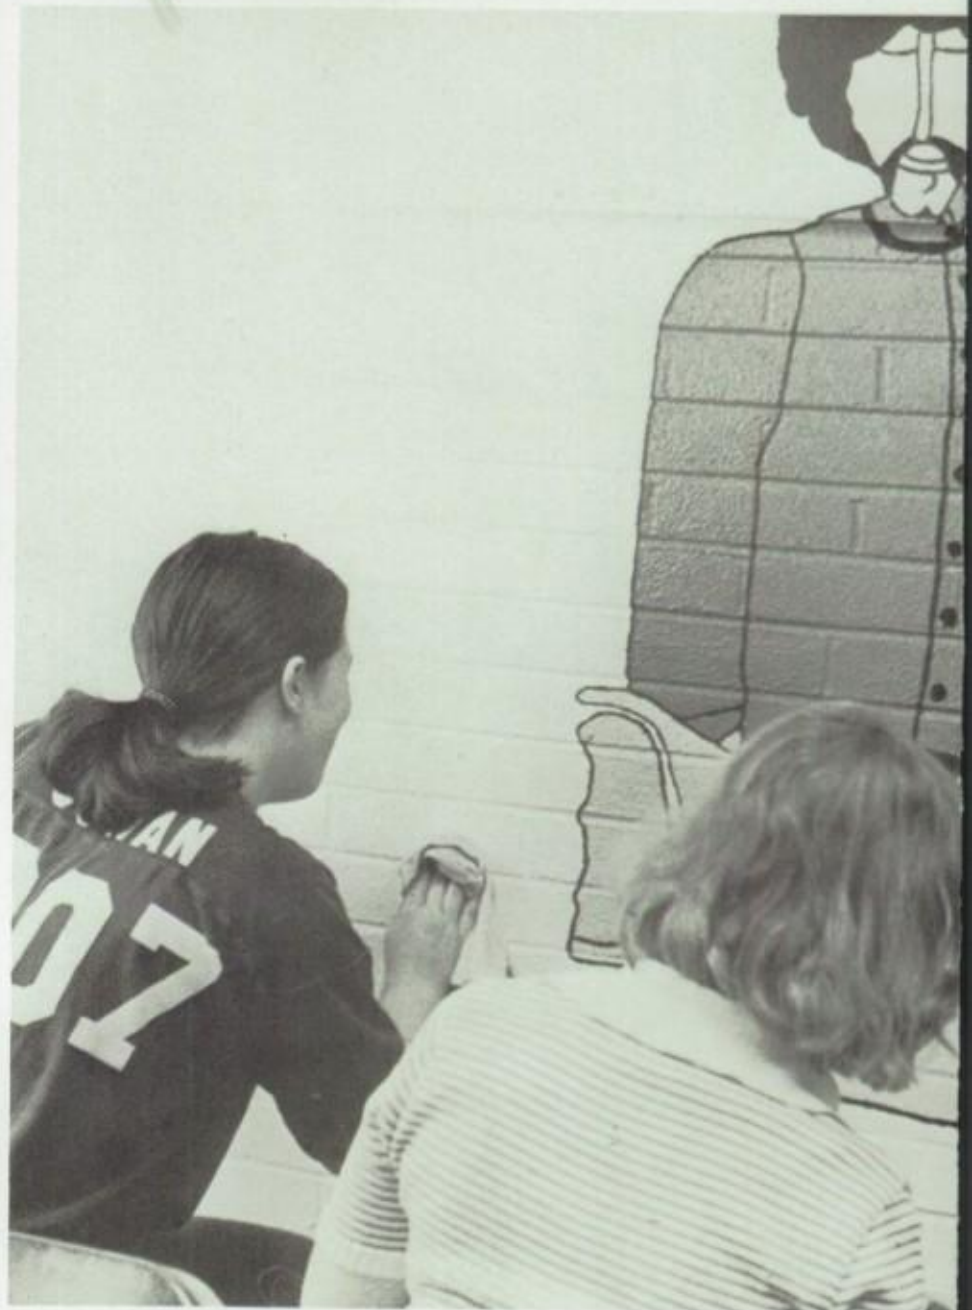

Art Club

The Art Club was busy improving the school's decor again this year. Murals were painted in the student center and in the library. Many tedious hours went into the planning and execution of these two projects. All of the students at Pace greatly appreciate the efforts of the Art Club.

SPONSOR: Mrs. Connie Nations.

Math and Science Club

The Math and Science Club's annual field trip took the students to the Georgia Tech Nuclear Reactor. After listening to a lecture on the fine points of nuclear decay, the students were given a tour of the reactor and the center. The engineer explained how the nuclear reactor operated. Even though the operating process was complicated, the students enjoyed the excellent learning experience.

SECOND FROM TOP: Seventh and Eighth Grade Science Club; SPONSOR: Mr. David Joiner. BOTTOM: Ninth through Eleventh Grade Science Club; SPONSOR: Mrs. Paula Mallory.

Social Services Program

The Social Services Program is divided into three main areas: The AVA Program, The Inner City Program, and The Aid for the Developmentally Disabled Program.

SPONSOR: Mr. Neely Young.

The AVA program, headed by Carolyn Baker, tutored fifteen children in reading and writing skills this year. The participants also went to the Ringling Brothers Circus and sponsored a Halloween party with Interact. Graduation exercises were held at Pace, and a party was given for the children at Westminster.

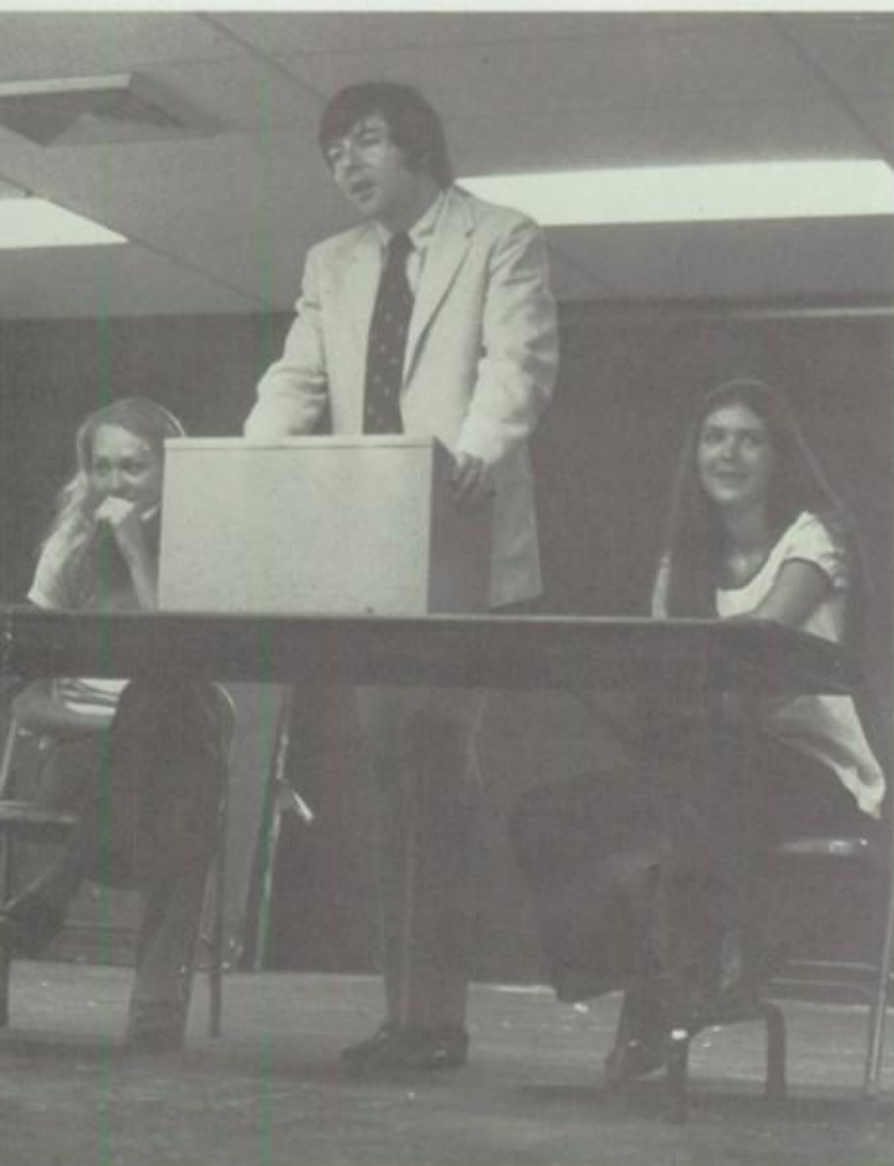

Inner City, headed by Marsha Reese, tutored children at Finch School on Ajax Drive in the Perry Homes District. The Inner City program was broader than the AVA program because the children were tutored in everything from reading to physical education. The Inner City participants also gathered food and clothing for the Perry Homes tornado victims.

The Aid for the Developmentally Disabled program was headed by Marsha Reese. This first-year program sent participants to the Fulton County Training Center. They tutored the children and adults of the center. Equally important, they offered fellowship.

All three of these social service organizations sponsored a softball game for the Southeast YMCA; the proceeds from the game went to the YMCA.

French Clubs and Spanish Clubs

The French III class took a trip to the Vie de France bakery.

All French Club members gathered at the Chateau Fleur de Lis for their annual banquet. Dishes ranged from seafood crepe to champagne ice.

The Spanish Club's officers kept a scrap book relating to Spanish and the club's activities.

Coin and Stamp Club

One of the interesting things that the Coin and Stamp Club did was use the science lab to determine the specific gravity of gold and silver coins.

SPONSOR: Mr. John Cogan.

Knight Gallery

The Knight Gallery staff published another fine issue this year. The staff and other upper school students contributed creative art works and literature to the magazine.

SPONSOR: Mrs. Pat Fastiggi.

Pacesetter

The yearbook staff attended workshops at the University of Georgia, Berry College, and Emory University. Many new yearbook skills such as the use of special effects and writing copy were learned. This yearbook was produced as a result of much hard work and compromise.

SPONSOR: Mr. Dan Bullard.

Inside

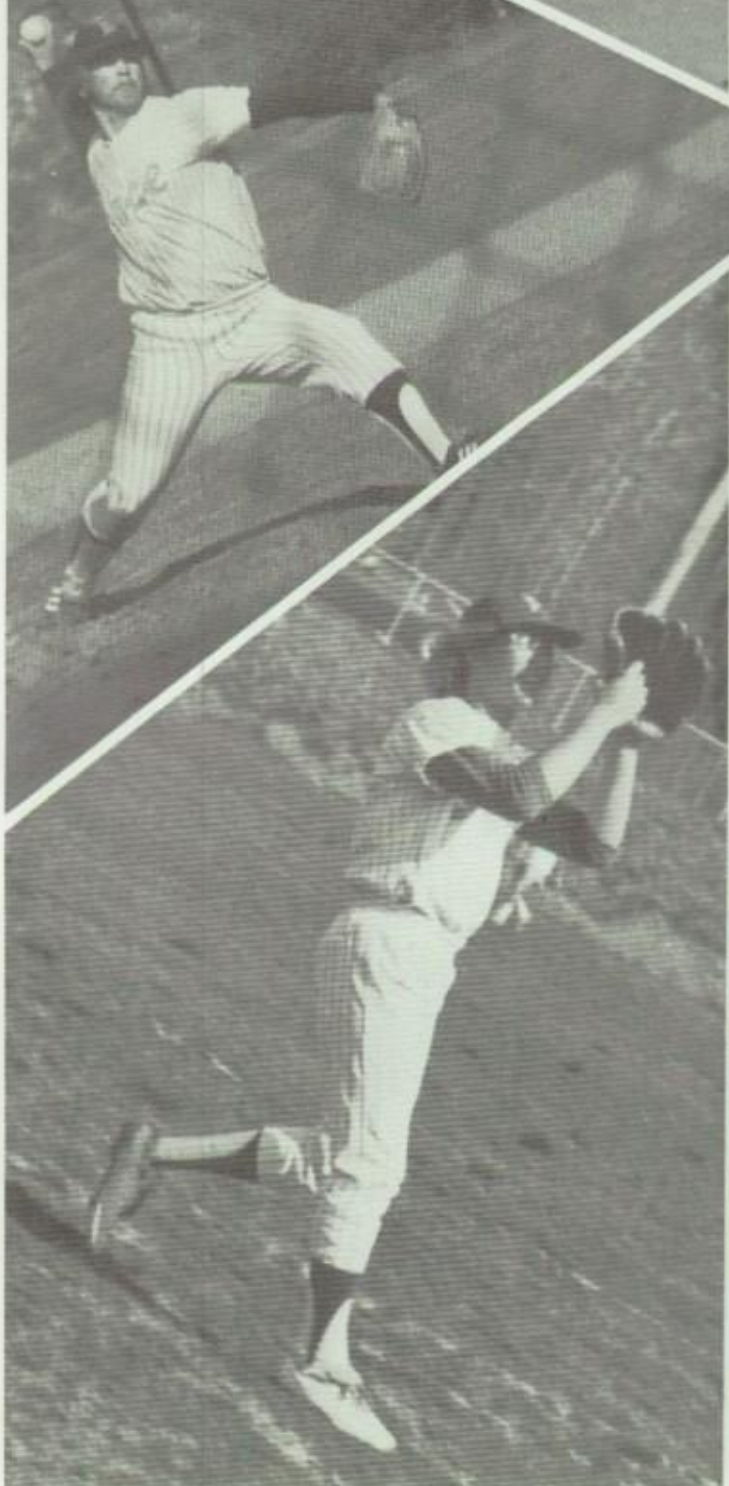

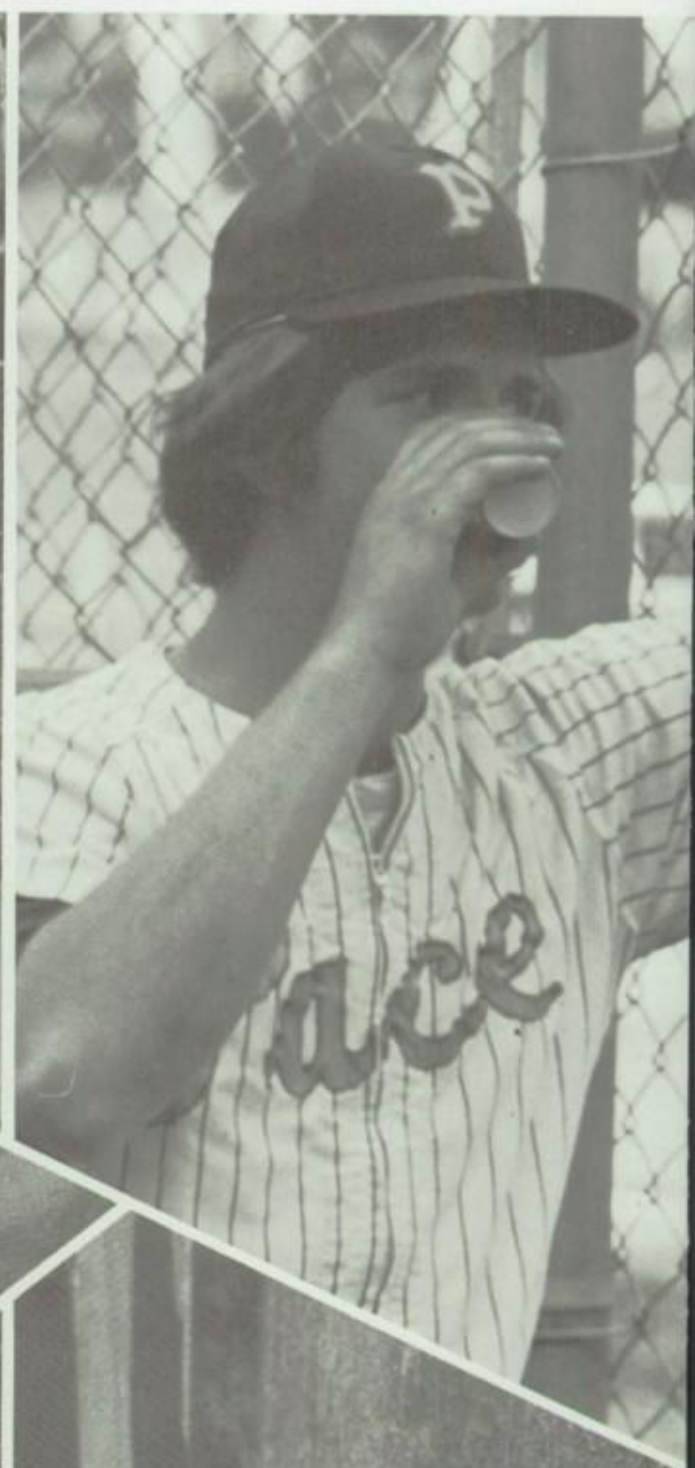

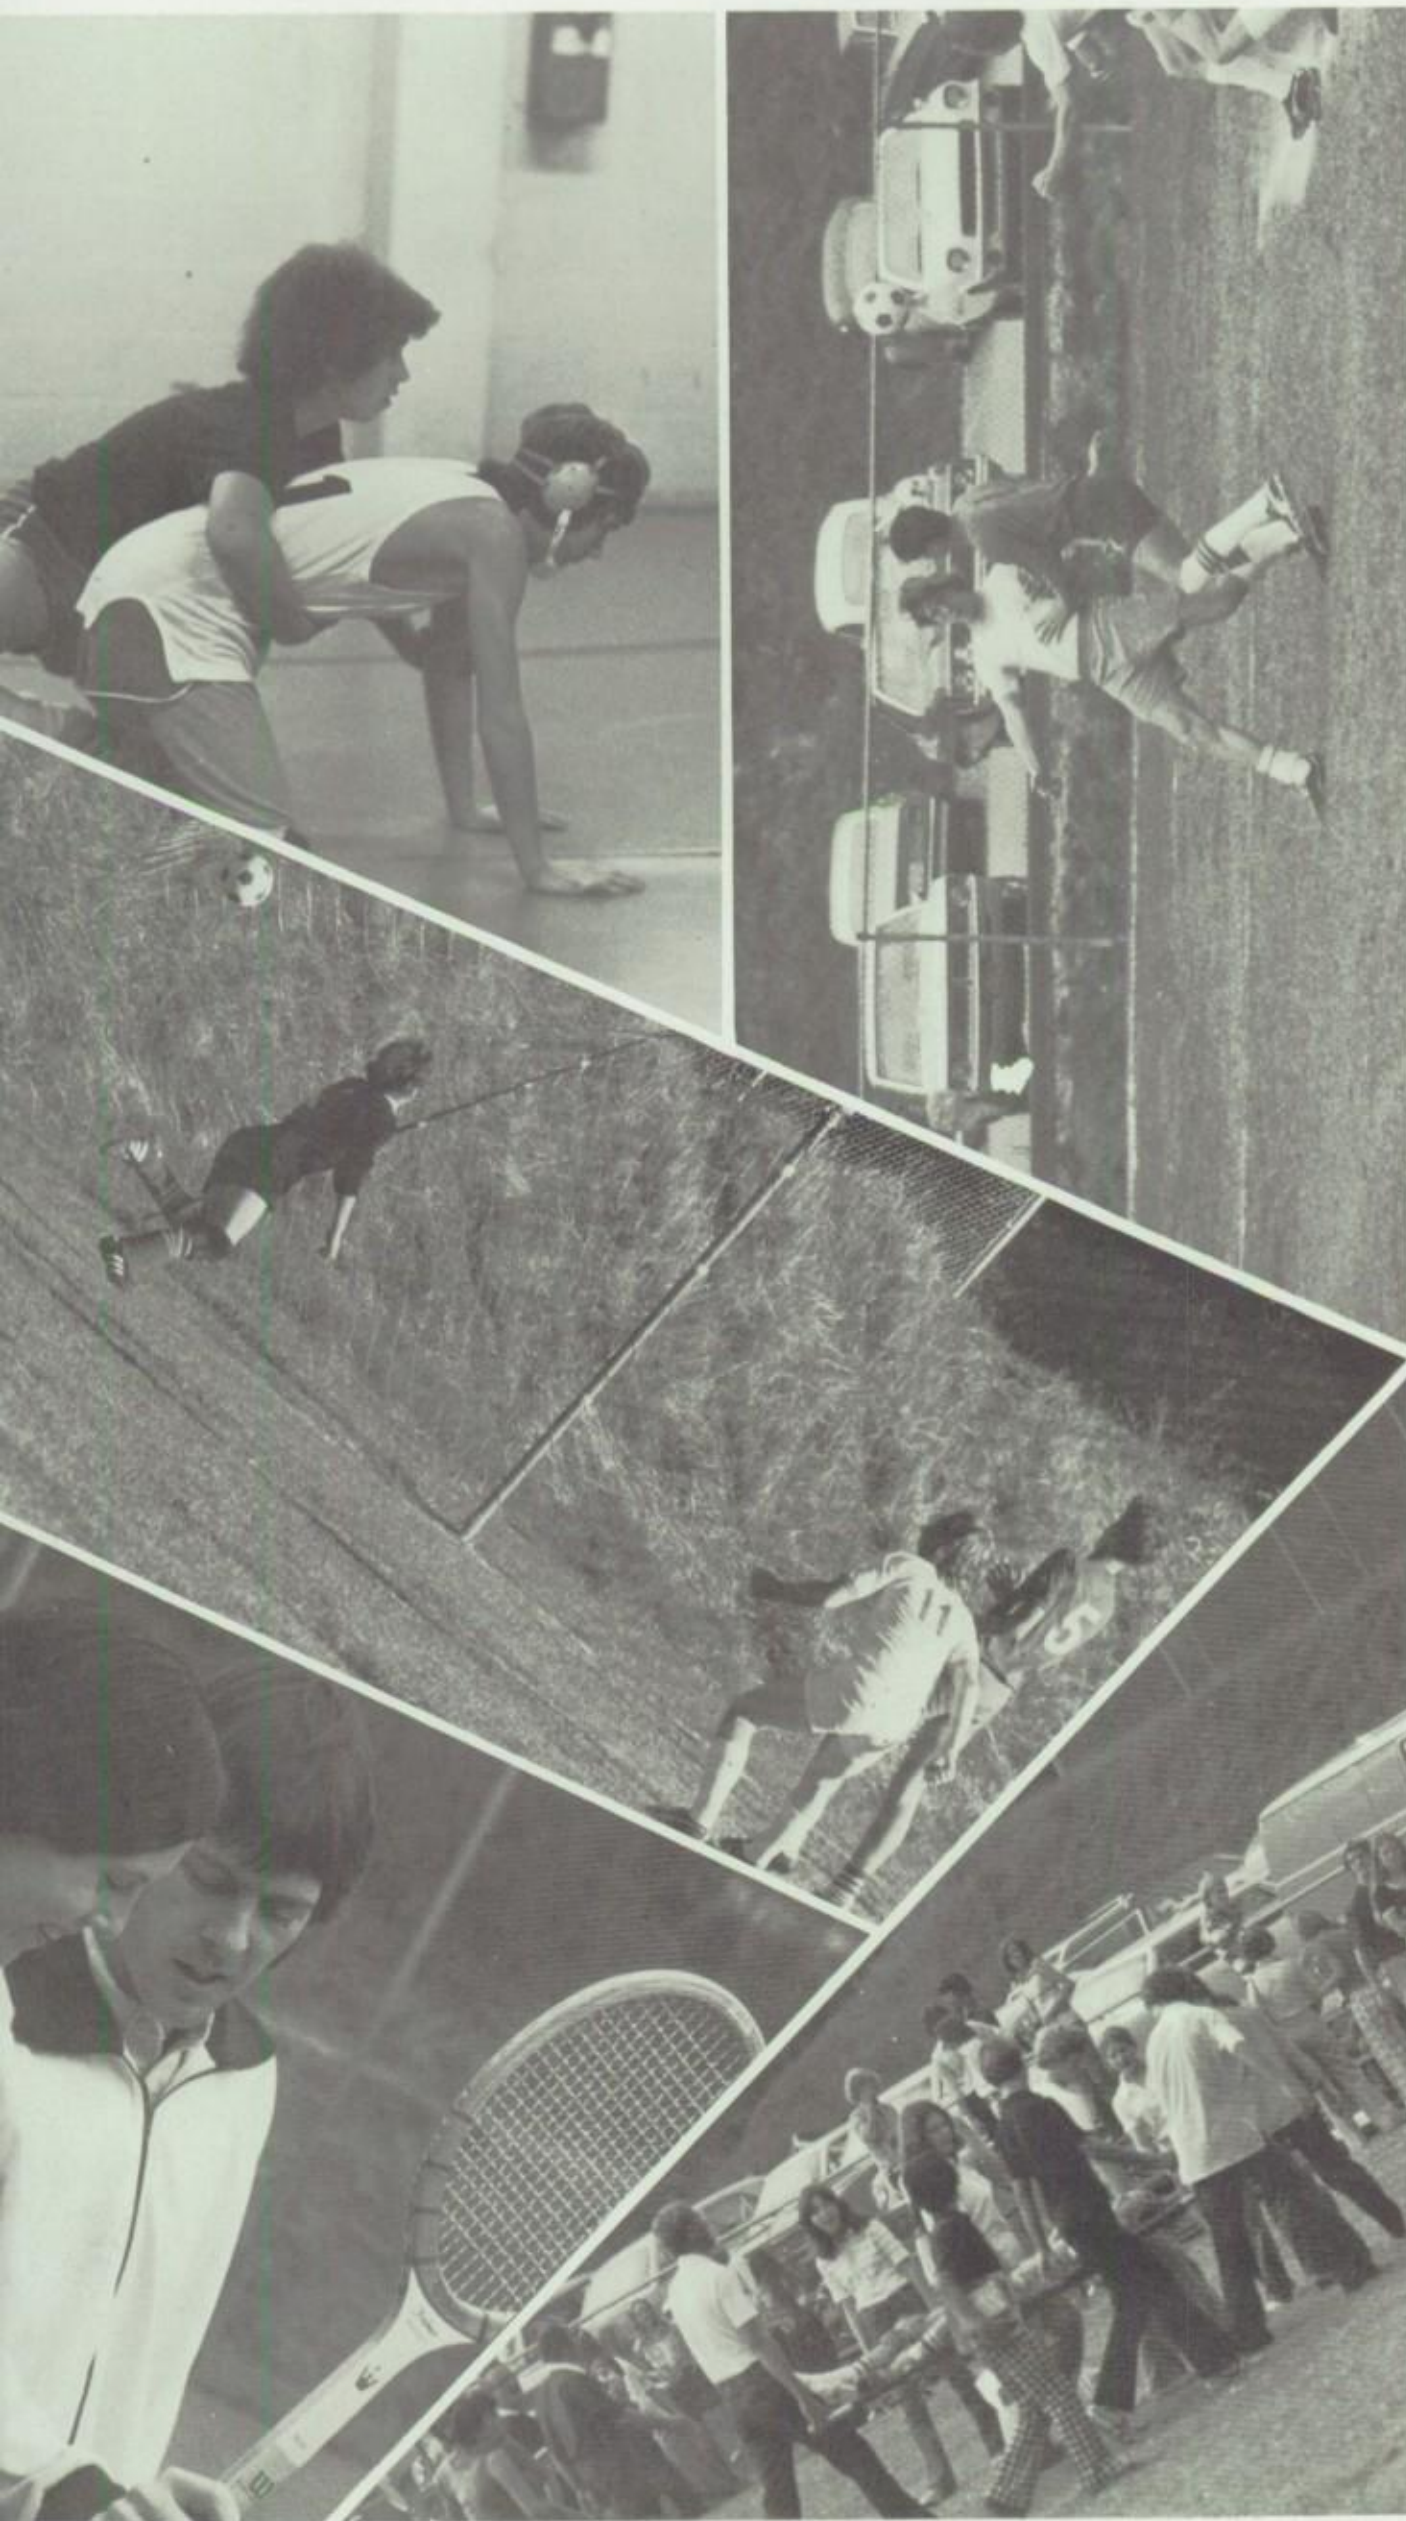

The Inside staff published four fine issues of the newspaper again this year. After attending workshops at Georgia State, the Atlanta Constitution, and Berry College, the staff held its own workshop at the New Era printing company.

SPONSORS: Miss Elizabeth Lynn and Mrs. Peggy Hartmann.

DETERMINATION

Hard work and dedication by many members of Pace teams produced an unexcelled year. When the time came for determination, Pace teams had it; they brought more awards back to Pace than in any other year in Pace's history. Pace had four region runner-up teams, four region champion teams, three state third place teams, one state semi-finalist team, and three state championship teams. Pace was also voted the winner of the Region 7B Sportsmanship Award by member teams.

Literary Meet Members

The Pace Literary Meet team had another successful season. After capturing the second place trophy in the region, Pace sent two members to the state meet. Pace improved its record tremendously in the state.

Seventh and Eighth Grade Soccer

White Team

There were two soccer teams due to popular enthusiasm of the seventh and eighth graders. Although neither team had a winning record, they came through in the playoffs against tough competition. More importantly, all of the players on the two teams received the chance to play in the games.

The White Team played Galloway in the Metro Atlanta Soccer League's Tournament and beat them 4-0. Although St. Jude beat them 4-0 in the semi-finals, the team's spirit and hard work helped to make it a successful year.

PARTICIPANTS: Al Alford, Berlin Benfield, Scott Dezell, Jimmy Isaacson, Tim Maleeny, Matt Marks, Alan Mayer, Scott Mills, Tommy Mitchell, David Reece, Andy Sumlin, Chris Sweitzer, and Andy Taylor.

COACH: Mr. Neil DeRosa.

Blue Team

The Blue Team came in second in the Metro Atlanta Soccer League. They beat Heritage in the first round and Arlington in the second. This was a real accomplishment for the Blue Team because they did not beat Arlington in the regular season.

PARTICIPANTS: Bennett Brown, Bill Callahan, David Chambers, Derek Ettie, Kip Kingree, Peter Liebmann, Randy Marcum, Ned Moore, Trey Phillips, Bobby Scherer, Steven Schoen, Mose Smith, Chris Sotus, and Vince Sowerby.

COACH: Mr. Neil DeRosa.

COACH: Mr. Ray Buckley.

The Junior Varsity Soccer team had an especially superb year. This was the first year Pace Academy had both an untied and undefeated season, finishing with a 9-0 record. Coach Buckley praised the team's teamwork and hard work. Two of the most important games were Arlington and Berry which Coach Buckley believed were a psychological lift for the team because Pace was not ready for the game, but Pace came through. One of the highlights for the 1974 year was the addition of eighth graders to the team. Coach Buckley believes that the eighth graders will be a valuable asset to the team in future years.

Varsity Soccer

The Varsity Soccer team had an excellent season; they finished with a 9-4 record. With hard work, determination, and sacrifice, the Varsity Soccer team won the State Championship, 6-1, despite predictions from the ATHENS DAILY BANNER that Pace would lose. Coach Walker stated that Pace surprised everybody because most people thought that Pace would be rebuilding during the 1974 season. According to Coach Walker, one of the keys to the season was to develop the talents of the freshmen to control the ball. The 1974 Soccer team worked harder than any other team, and the hard work paid off despite some hardships on the players.

Eighth Grade Cheerleading

Good luck eighth grade!

The Eighth Grade Cheerleaders worked hard to support Pace teams this year. They should be great supporters of Pace in the future also.

SPONSOR: Mrs. Charlene Potchad

PARTICIPANTS: Elizabeth Bradshaw, Claire Griffith, Kristin Isbell, Miriam Marlowe, Portia Payne, Martha Pilcher, Leslie Redden.

Junior Varsity Cheerleading

The Junior Varsity Cheerleaders worked very hard on their routines, and they always showed great enthusiasm at all Pace games and pep rallies.

SPONSOR: Mrs. Charlene Potchad

PARTICIPANTS: Amy Allred, Emily Griffith, Jodi Fogel, Carol Mathis, Emily Neill, Kim Ripley, Suzanne Williams.

Varsity Cheerleading

The Varsity Cheerleaders provided spirit and enthusiasm for the school. They helped the Pep Club make signs, and sponsored Spirit Week which included Fifties Day and Pace T-shirt Day. They also sponsored a day to decorate the halls. The cheerleaders surprised the players by taking them to a breakfast before the State Play-offs. The cheerleaders also helped Mrs. Schultz with the Change of Pace program.

LETTERMEN: Leslie Butler, Claire Fowler, Diane Irvin, Lydia Pilcher, Lisa Allison, and Patty Heermann.

SPONSOR: Mrs. Charlene Porchad.

Pep Club

The Pep Club helped the cheerleaders throughout the year. The Pep Club sponsored buses to the Omni and to Athens Academy. The club also made signs for all the athletic games and raised money for the club by sponsoring bake sales.

SPONSOR: Miss Elizabeth Lynn.

Seventh Grade Basketball

The team played in a league sponsored by the Rotary club. Though the record was two wins and six losses, the team members all improved their skills.

PARTICIPANTS: Bill Callaham, David Chambers, Jeff Davis, Mike Deigaard, Peek Garlington, Tim Maleeny, Randy Marcrum, Alan Mayer, David Reece, Stephen Sayle, Stephen Schoen, Andy Taylor.

COACH: Mr. David Morgan.

Eighth Grade Basketball

Although the Eighth Grade Basketball team won four games and lost nine, the team lost each game by only a few points. In three of the games, the team lost by three points or less. With this year's experience, the players should make a valuable contribution to the J.V. program.

COACH: Mr. Ray Buckley.

PARTICIPANTS: Al Alford, Berlin Benfield, Sandy Cooper, Robert Griffith, Jimmy Isaacson, Kip Kingree, Matt Marks, Tommy Mitchell, Bobby Scherer, Vince Sowerby, Steve Wilson.

Junior Varsity Basketball

The Junior Varsity Basketball team had a highly successful season; the team ended up with a record of 14 wins and 7 losses. They won outstanding victories over tough opponents like Ridgeview, Crestwood, and Palmetto. Billy Chandler proved to be the leading scorer. There were other outstanding performances by Mark Boehmig, Lloyd Schoen, Scott Fogel, and Lenny Cohen. The team had a tremendous amount of spirit that enabled them, with hard work, to overcome their size handicap. Hopefully, next year will prove to be as fruitful.

PARTICIPANTS: Bill Candler, Mark Boehmig, Greg Chambers, Billy Chandler, Larry Chandler, Bill Davis, Danny Epstein, Michael Fishman, Billy Griffin, Scott Fogel, Hugh Lane, Chip Porter, and Lloyd Schoen.

COACH: Mr. Richard Walker.

Varsity Basketball

Varsity Basketball had a superb year. The overall record was 20-10, and the regular season record was 14-6. Competition was rough; Pace played against the teams of Palmetto, Lovett, Marist, and Westminster. Pace was the Region 7B Runner-up; Palmetto slid by by one point. During the Greater Atlanta Prep Classic, Pace beat Lovett and GACS; Pace only lost to Marist by five points. In the end, Pace had placed third in the Greater Atlanta Prep Classic. Pace then continued on to play in the State Class B Semi-finals.

Boys' Varsity Tennis

The Varsity Tennis team had a 5-5 season. The team beat opponents such as Galloway, GACS, Hapeville, Arlington, and Crestwood. This team was the strongest team in Pace history because of the experience of the seniors. Reid Smith was the most improved player; he had the best match record, 8-3. The major highlight of the season came when Reid Smith and John Steen won in the Region. They, however, lost to Athens Academy in the State finals. Jim Woody was runner-up in the Region. The team truly had an excellent year.

LETTERMEN: David Geldbart, Craig Lefkoff, Mike Orkin, Dave Norman, Reid Smith, John Steen, and Jim Woody.

COACH: Mr. Neil DeRosa.

Girls' Varsity Tennis

The Varsity girls had an excellent tennis year. The team won the overall Region title. Lydia Pilcher won the Girls Region Singles and was the runner-up in the State Tournament. Betsy Brady and Lisa Rinzler won the Region Doubles Championship, and Betsy was selected as the most improved player. Lydia was picked as the most valuable player.

LETTERMEN: Betsy Brady, Betsy Garlington, Virginia Herndon, Leslie Phillips, Lisa Rinzler, Jill Steenhuis, Lee Steenhuis, Mary Helen Thompson, Wendy Wilmot, Lydia Pilcher, and Louise Griffith.

COACH: Mrs. Janet Myers.

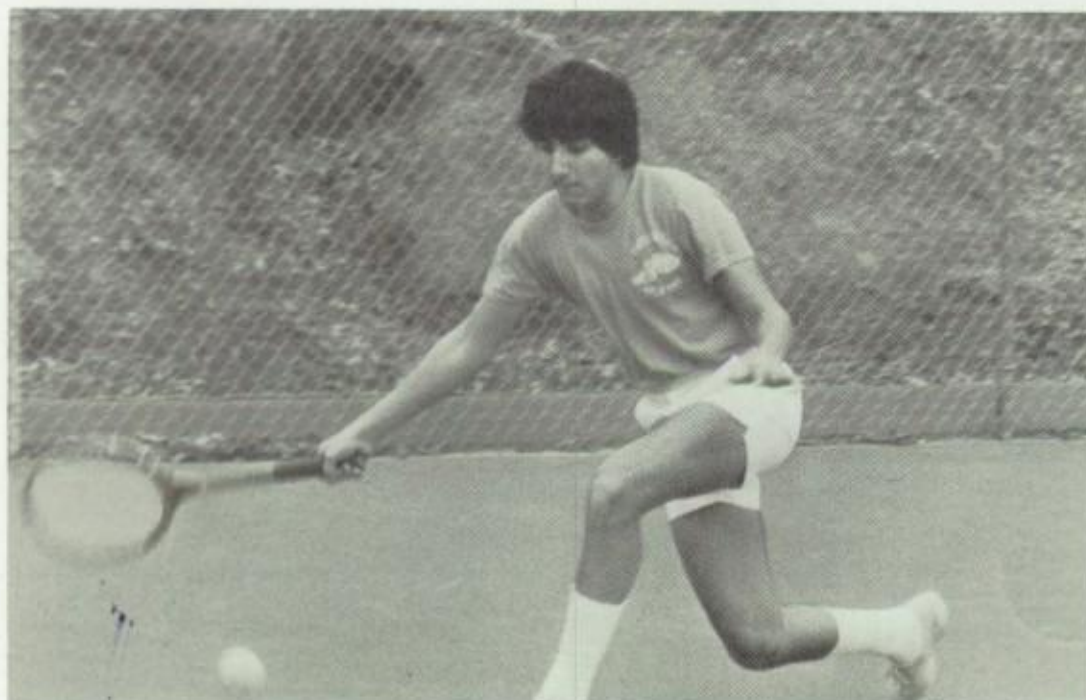

Boys' Junior Varsity Tennis and Girls' ALTA Tennis

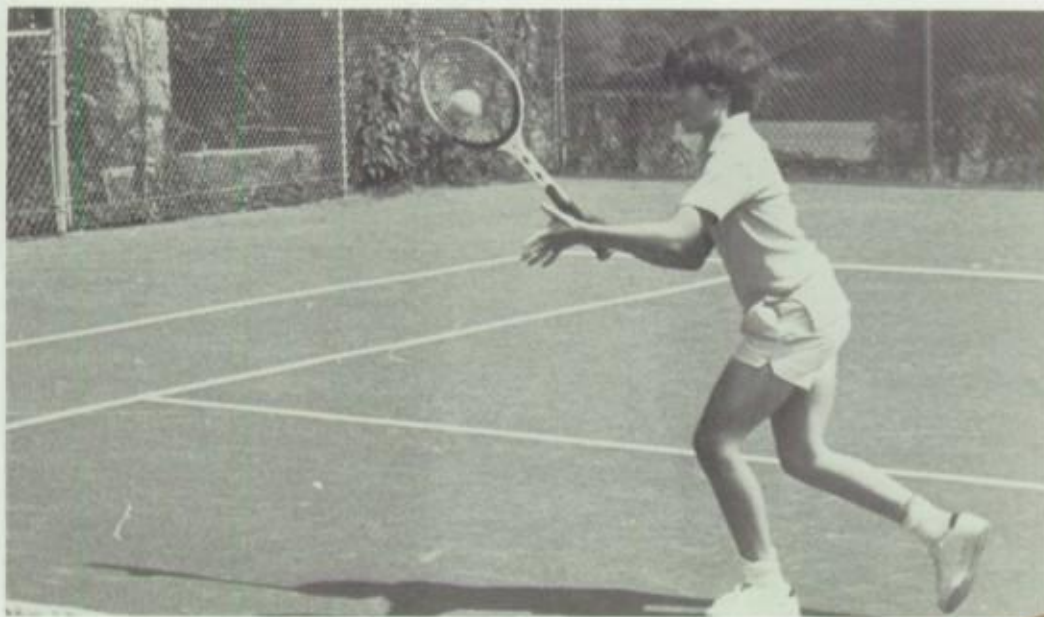

The Junior Varsity Tennis team had a 4-2 record which was really good considering that Pace players, all under the age of sixteen, had to compete against eighteen year olds. The major highlight of the season was being tied for the division lead with DeKalb. DeKalb beat Pace by one match in the playoff, however. Next year the top four players of the team will move to the Varsity team.

PARTICIPANTS: Scott Perkins, Danny Epstein, Eric Abrams, Mark Greenberg, Chip Gossett, Kenny Orkin, Ricky Goldstein, and Mose Smith.

COACH: Mr. Neil DeRosa.

The Girls' ALTA tennis team had a good year, for they were runners up in their division.

PARTICIPANTS: Amy Hahn, Ada Healey, Eleanor Herndon, Mary Ann Griffin, Jan Wylie, Martha Pilcher, Leslie Redden.

COACH: Mr. Neil DeRosa.

HEY

Amy Like your picture here "The Tennis Pro." Member when we played tennis before the assembly that was fun. How was Sam Did you like Lynns party. Or shouldn't I ask that. A hundred things you were worried about. Are you going out for the tennis team this year I saw Eleanor practicing but I don't

remember seeing you. Wasn't it funny how everybody was going out in the woods with each other. Did you and Sam finally get what you wanted to get and go. I remember Sam.

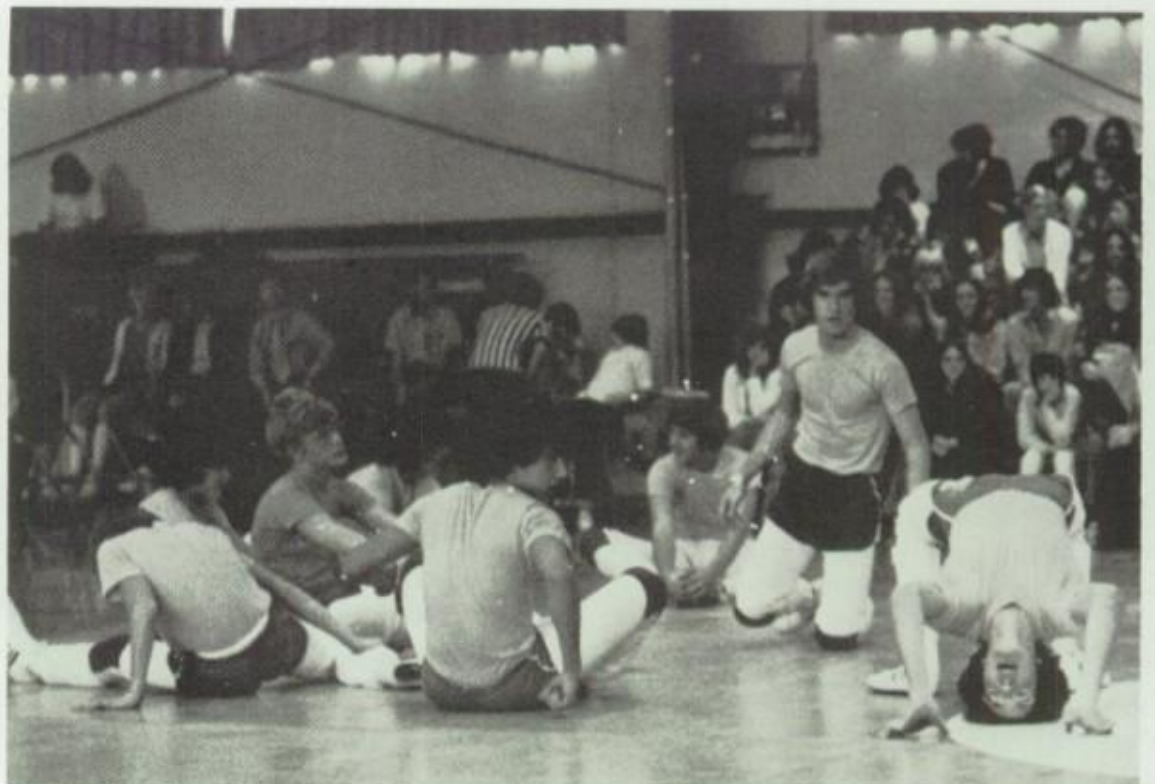

Wrestling

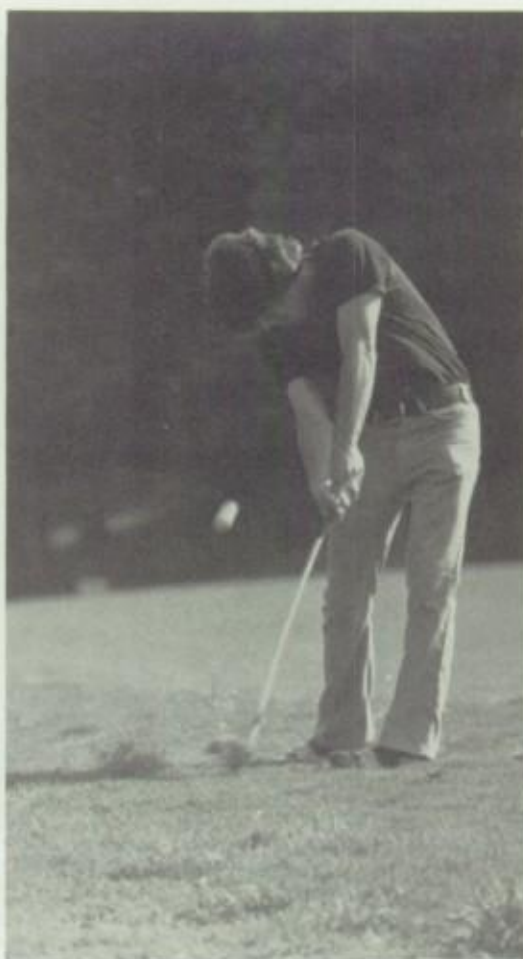

Wrestling was first introduced to Pace this year. Although the team never won a game, the members improved their skills. One of the biggest problems for the wrestlers was that the individual wrestlers wrestled others who were from well-established wrestling squads. Despite all the problems faced by the squad, Brian Kahn finished fourth in the State B Tournament in his classification, and James Wilson finished fourth in his classification. Next year the wrestling team will be better prepared because there will be no loss of participants.

it was so funny.
Golf Did you ~~generally~~

Although the Golf team was seeded fifth in the Savannah Tournament, the team was able to climb the ladder to become third in the State. The team set a new school record for a nine hole match; the record was 162. The biggest problem for the team was a lack of consistency; however, Ray White managed to maintain his number one position throughout the year. His record for a nine hole match was 37, and his record for an eighteen hole match was 78. Next year the team will have a good nucleus from which to build because Ray White, Chip Porter, Bill Bazzel, and Bill Candler will be returning.

LETTERMEN: Bill Bazzel, Drew Bentley, Ross Dowler, Noel Lane, Chip Porter, and Ray White. PARTICIPANTS: Bill Candler and John Mathews.

COACH: Mr. Richard Walker.

find one? How come Steven
did not come to Lynns
party? It must have been a
real let down sending out
Lynns party. Well its over
with Steven ~~late~~ lately?

He was not coming to
with right. So have you talked

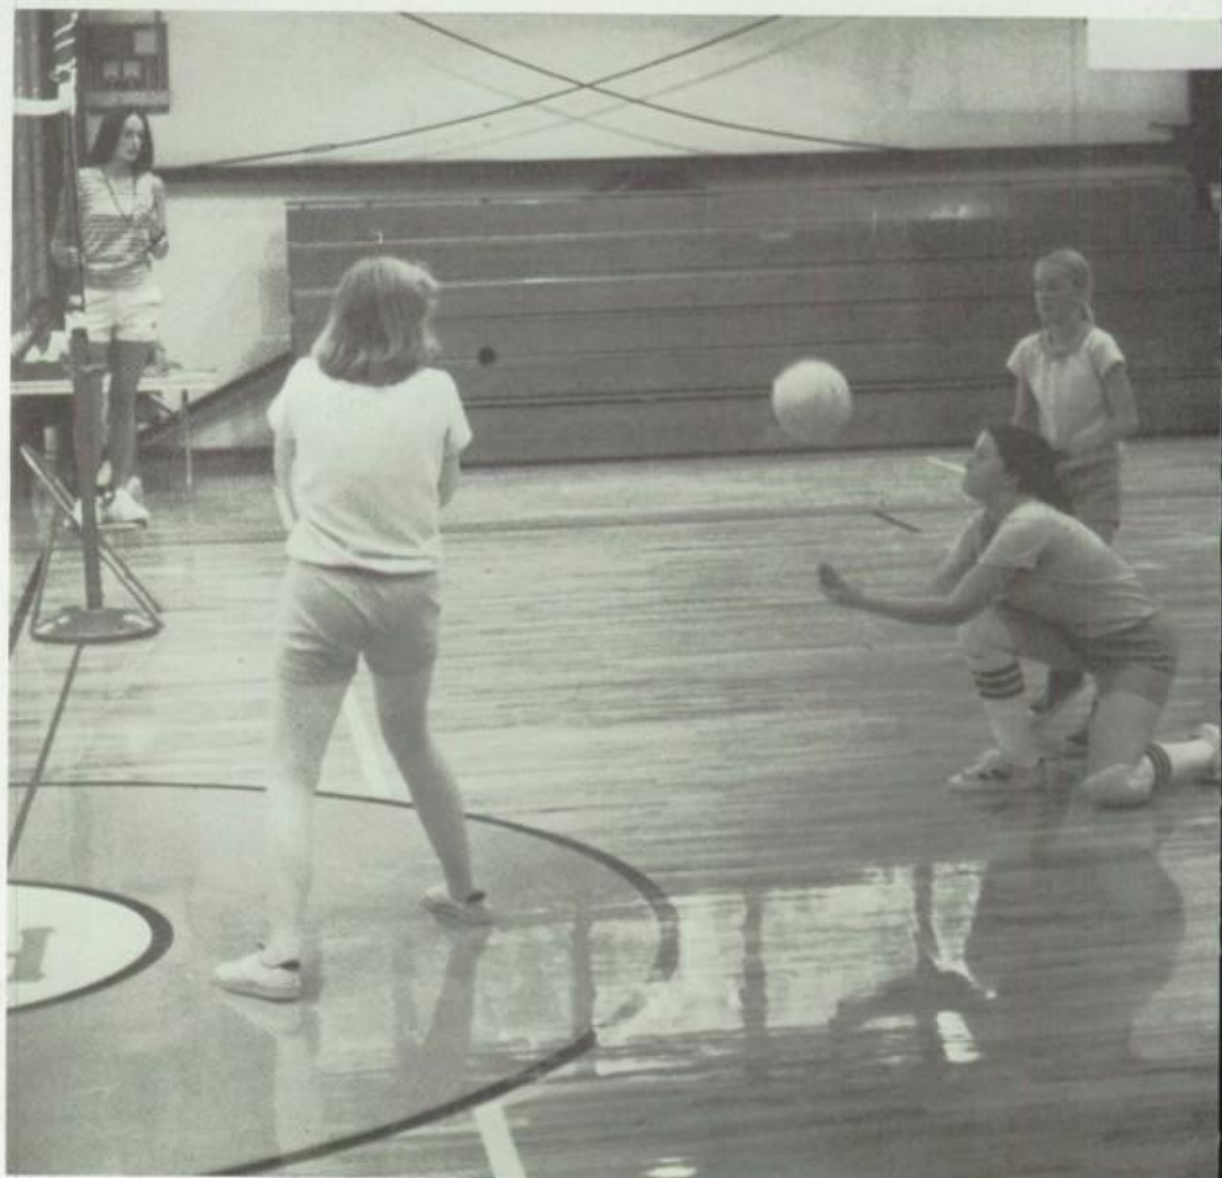

I really appreciate inviting me to your party. It was really
fun, one of the best party's I have every been to. Well
can't think of anything ~~else~~ else to say,
Derek Eltun **Junior Varsity Volleyball**

The Junior Varsity Volleyball team had a 4-3 season which was particularly good because the team played all Varsity teams. The Pace team was primarily composed of the seventh and eighth graders; Margaret Cowan was the best player. Along with the Varsity team, the Junior Varsity team went to the Cowan's farm in Cartersville, Georgia.

PARTICIPANTS: Cindy Batey, Barbara Beegle, Elizabeth Bradshaw, Mary Bradshaw, Margaret Cowan, Laura Chandler, Tracie Fogel, Kristen Isbell, Lelia Kelly, Miriam Marlowe, and Jenny Odom.

COACH: Mrs. Charlene Potchad.

Varsity Volleyball

Volleyball has been at Pace for three years; this year was the best year ever. The team finished with a 5-2 season. Patricia de Oliveira helped to motivate the team. The team competed against such tough opponents as Cross Keys, Westminster, Woodwood, and Towers. They beat the Lovett team twice. Leslie Butler was the most valuable player because she scored the most points per game. Next year, hopefully, will prove to be as good a season.

LETTERMEN: Lisa Allison, Mary Bradshaw, Leslie Butler, Claire Fowler, Diane Irvin, Laura Lamb, Melissa Mouchet, and Luanne Trescott.
PARTICIPANT: Patricia de Oliveira.

COACH: Mrs. Charlene Potchad

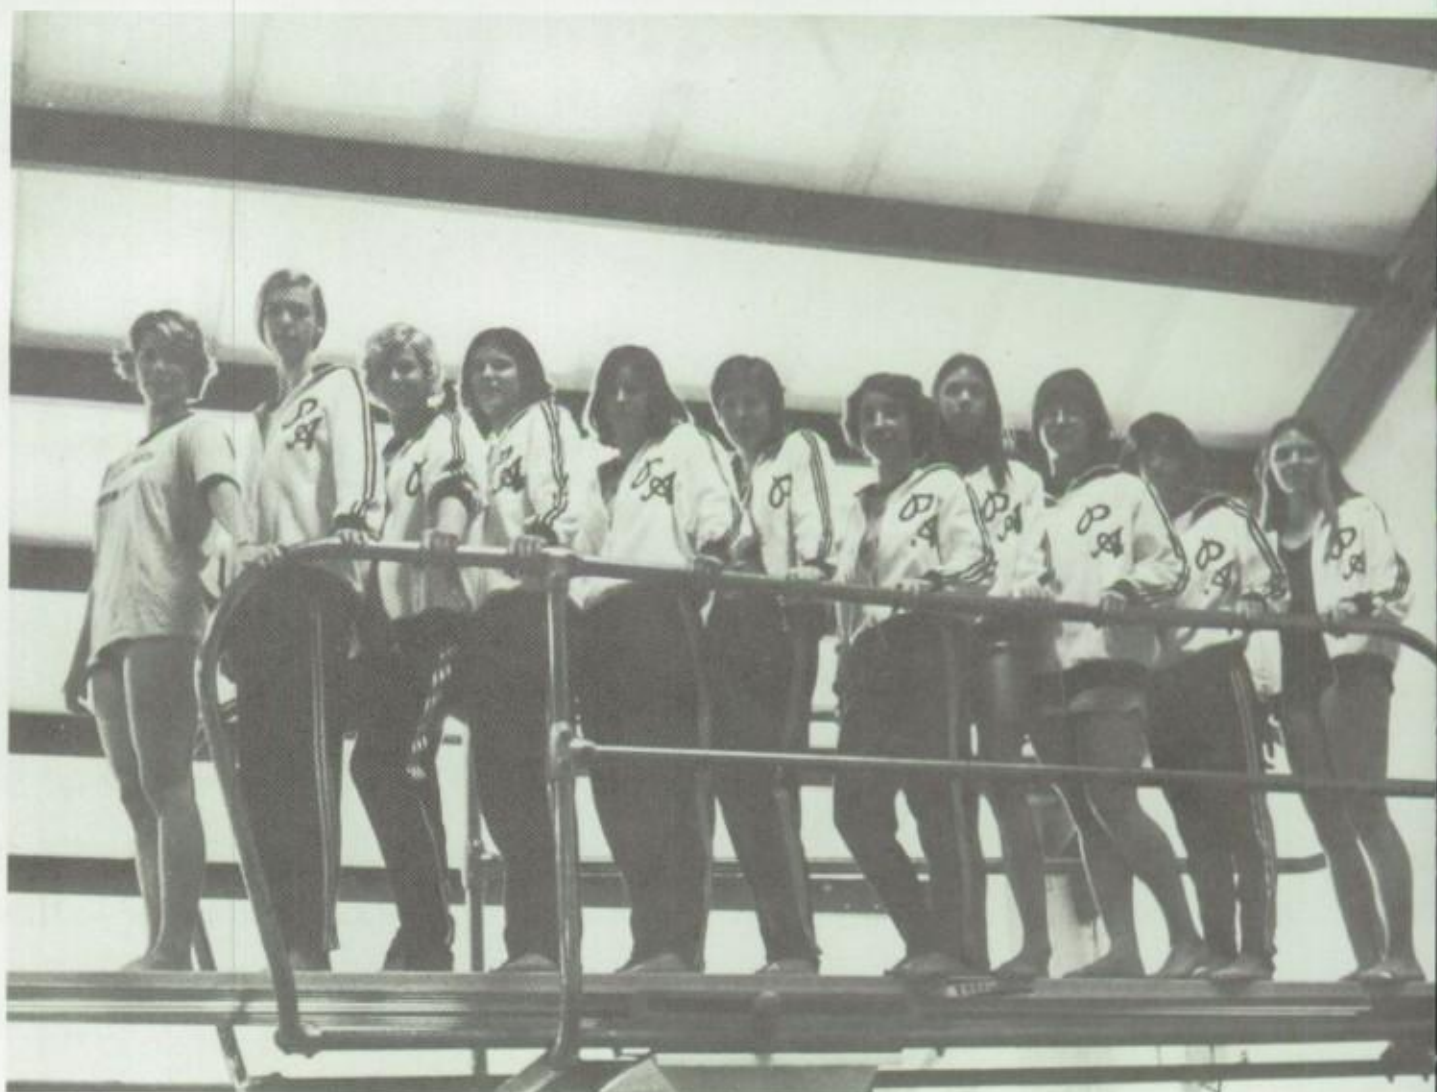

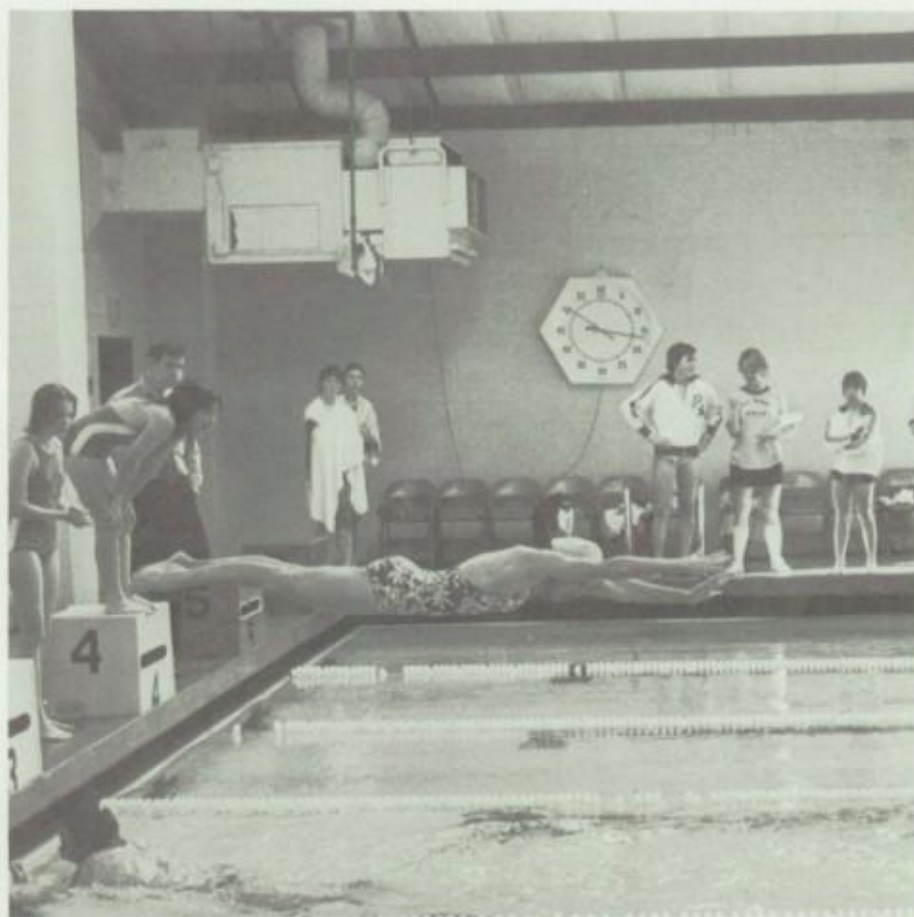

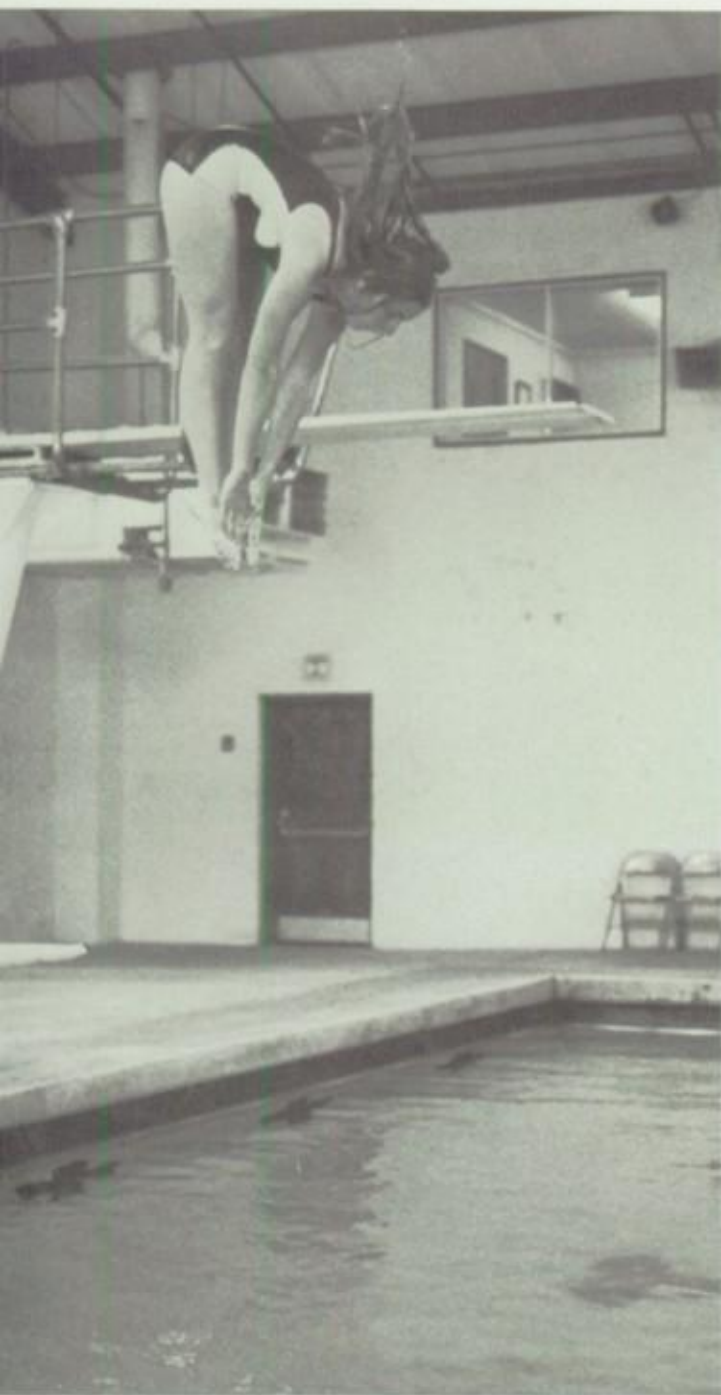

Girls' Swimming

The Girls' Swimming team only had a 3-10 season; the reason for this unusual season was that the Pace team was the only team in the B classification, and therefore, the team had to compete against teams in the A classification. Another problem for the team was that they did not have the same number of swimmers that the A classification teams had. The A classification teams could win points by coming in second, third, and fourth. To solve this problem, the team set up individual goals for the participants to reach. All the team members reached their first goals, but only Mildred McKenzie reached her second goal. The biggest highlight for the team was their trip to Tuscaloosa, Alabama, to participate in the Gulf State Championship. The Pace relay team placed fifth in the 400 free style swim. Despite difficulties that faced the team, in the end quality not quantity triumphed.

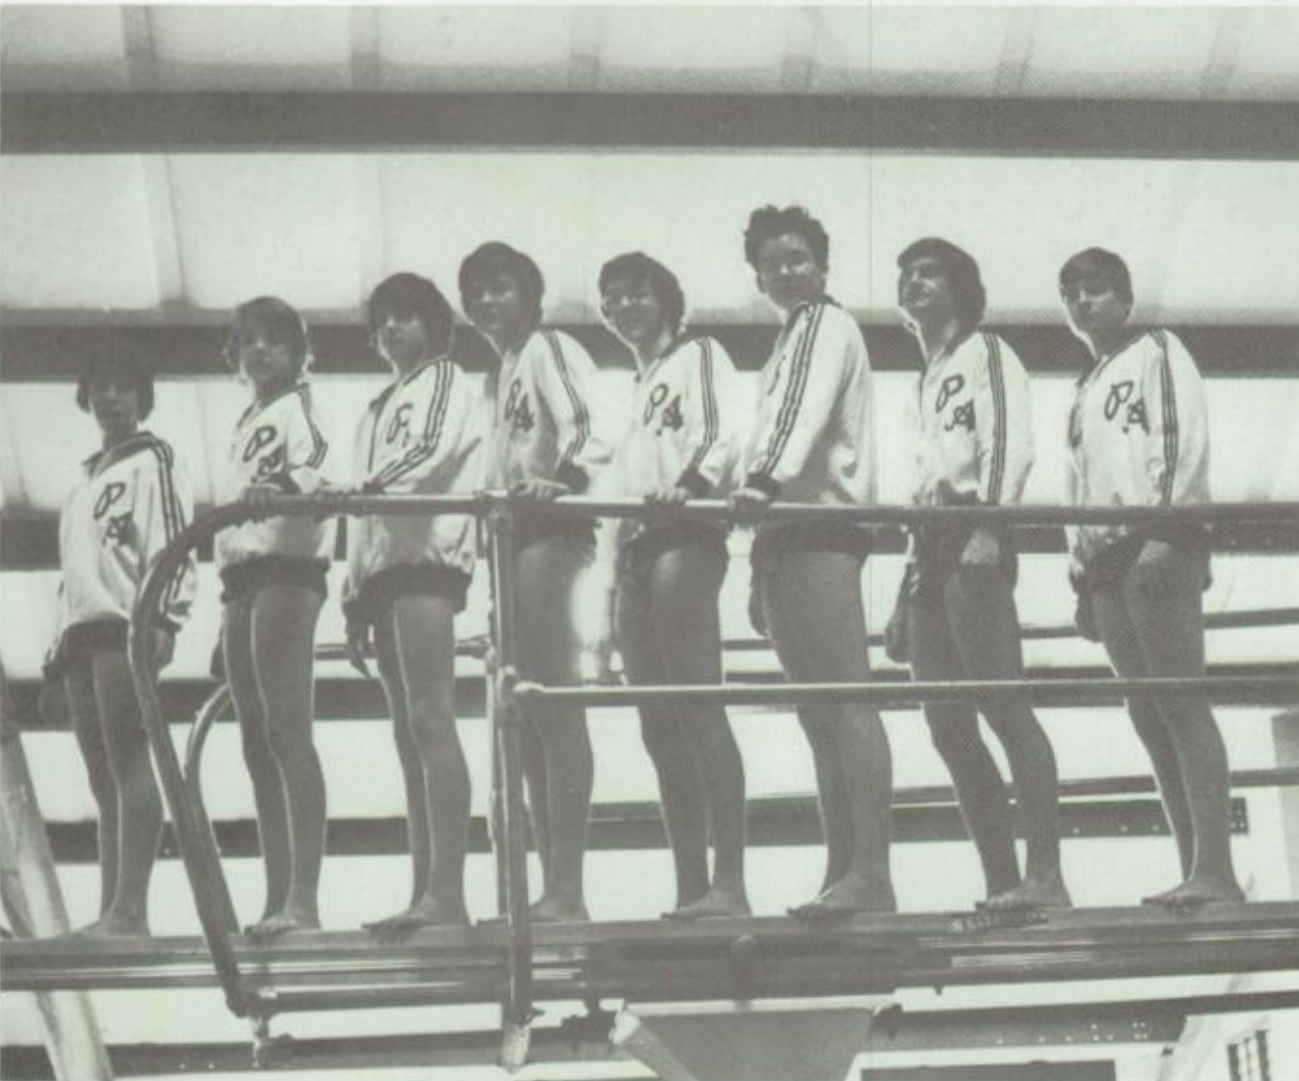

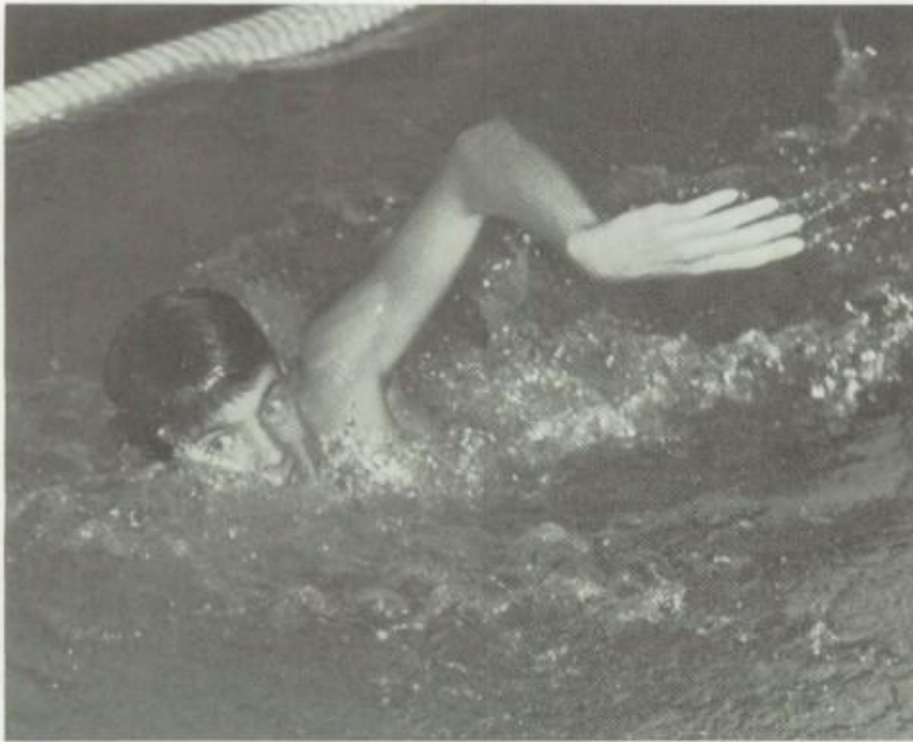

LETTERMEN: Alisa Davis, Mildred McKenzie, Annabelle Kirkpatrick, Leslie Phillips, Mary Helen Thompson, Wendy Wilmot, Betsy Brady, and Susan Bravman. PARTICIPANTS: Jill Steenhuis, Lee Steenhuis, and Charlotte Otwell.

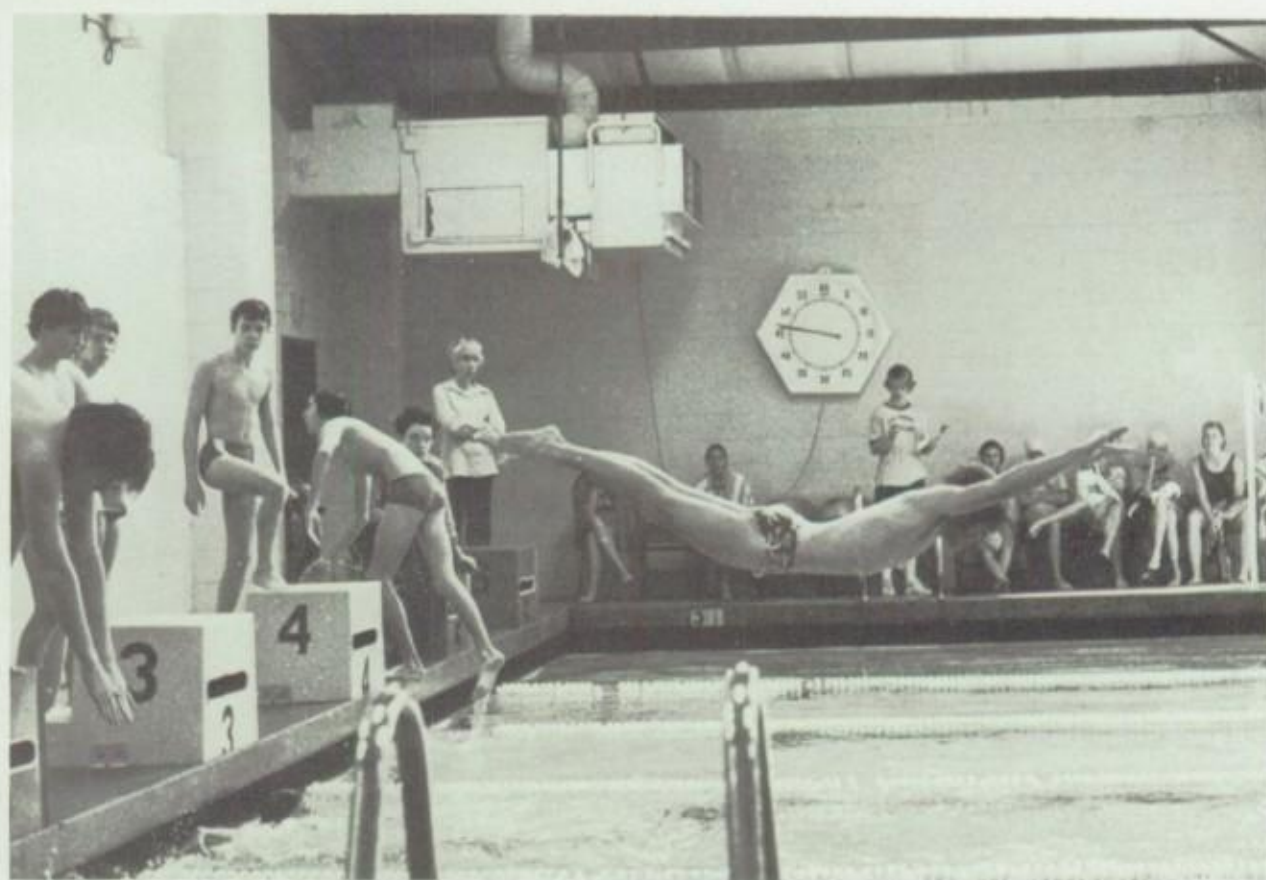

COACH: Mrs. Janet Myers.

Boys' Swimming

The Boys' Swimming team had a slight handicap this year; there were not enough participants from Pace to compete successfully against other teams. The coach set individual goals for the participants. Perry McCullen reached two of his goals and received the award for the most valuable swimmer. Richard Harrower was selected as the most improved swimmer on the squad. The team went to the Gulf State Championship in Tuscaloosa, Alabama. They joined the girls' team on a retreat to Alisa Davis' home in Hilton Head. The year was productive in the training of fine swimming athletes.

LETTERMEN: Richard Harrower, Tom Kellen, Perry McCullen, Scott Perkins, and Billy Waid. PARTICIPANTS: David Alexander, Dickson Brown, and James Wilson.

COACH: Mrs. Janet Myers.

Cross-Country

The Pace Cross-Country team did extremely well this year. All of the Pace runners ran well, and since there were no seniors on the team, they should be even stronger next year. In the State Class B meet at the Atlanta water works Jim Allred came in first to become the State Champion, and the team finished well enough to be the team State Champion.

LETTERMEN: Greg Chambers, Larry Chandler, Perry McCullen, Lloyd Schoen, Billy Chandler, Jim Allred, Brad Hodges.

JUNIOR HIGH PARTICIPANTS: Leslie Werder, Mark Lamb.

COACH: Mr. Ray Buckley

Track

Varsity Boy's Track

The Boy's Varsity Track team participated in nine dual and tri-meets during the year, and they participated in four invitational relays. Two new school records were set. Jim Allred won the region championship in both the mile and the two mile runs.

COACH: Mr. Ray Buckley

LETTERMEN: Greg Chambers, Jim Allred, Jeff Harris, Robert Murphy, Tuck Perkins, James Wilson.

Junior High Track

(Below)

The participation in this year's Junior Varsity Track program was excellent, and all worked hard to improve their skills.

COACH: Mr. David Morgan.

PARTICIPANTS: Julianne Acuff, Paul Ioannides, William Kelly, Mark Lamb, Tim Maleeny, Tommy Mitchell, Chris Sotus, Chris Sweitzer.

Varsity Girl's Track

The Girl's Varsity Track team had a fine year. They were second in the Region, and they set ten school records and one state record. Girls who went to the State meet did a good job.

COACH: Mr. Ray Buckley
LETTERMEN: Lisa Allison, Alisa Davis, Annabelle Kirkpatrick, Laura Lamb, Carol Mathis, Emily Neill, Leslie Phillips, Lydia Pilcher, Wendy Wilmot.

Junior Varsity Baseball

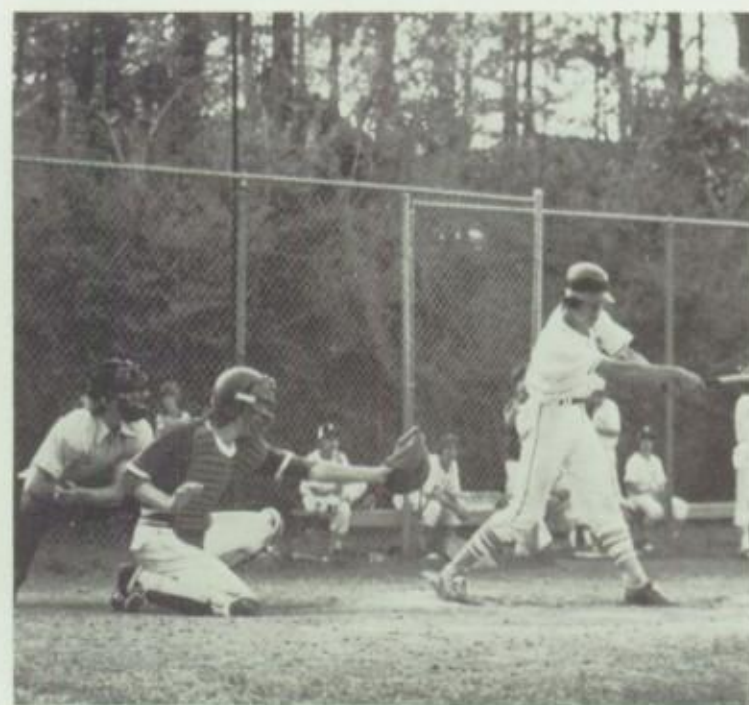

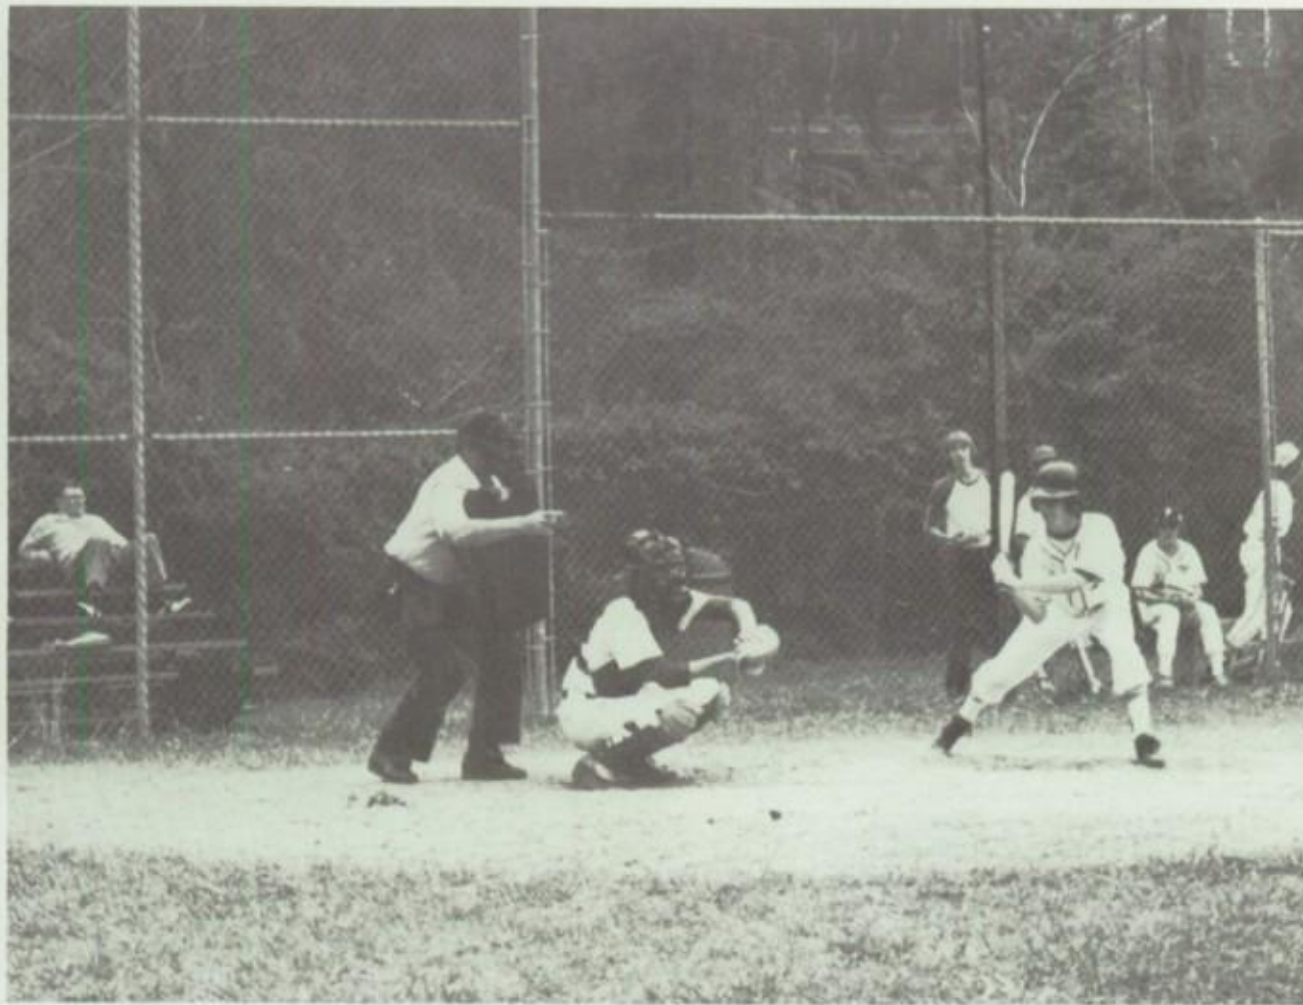

The Junior Varsity Baseball team was first introduced to Pace this year; therefore, it was difficult to find opponents. Another problem for the team was that it was composed of only eighth and ninth graders. The team played five games and lost all five, but their skills and abilities improved. With hard work next year will be much better.

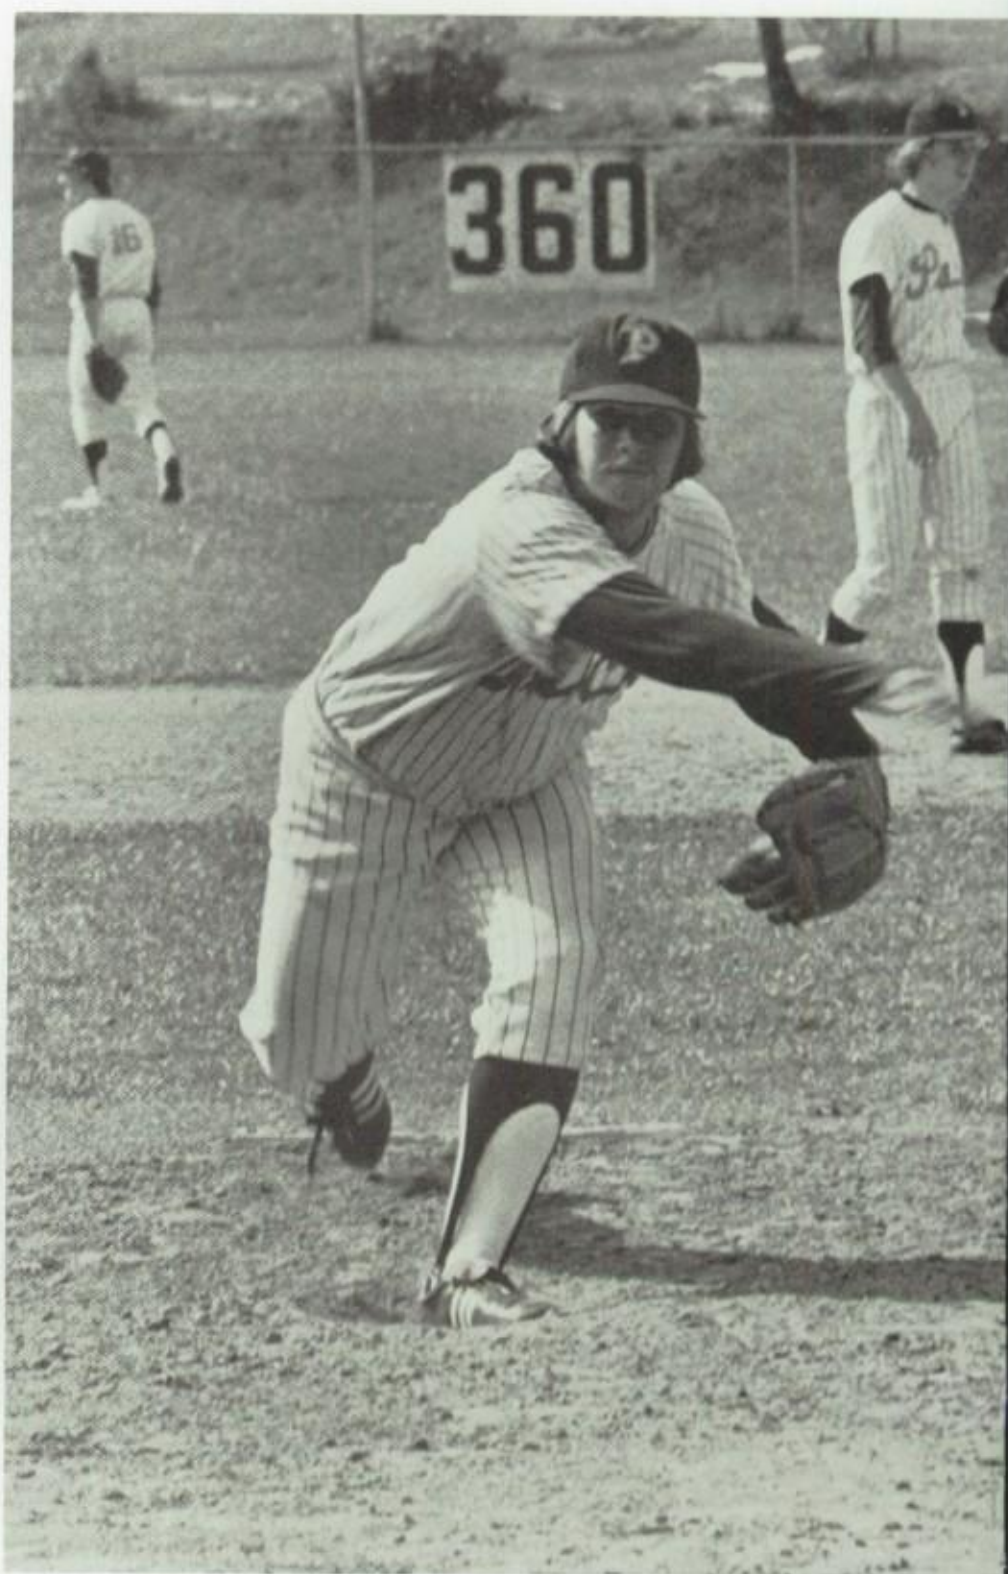

PARTICIPANTS: Eric Abrams, Sandy Cooper, Brown Dennis, Bryan Ford, Tom Griffiths, Billy Guthman, Tommy Mitchell, Chip Porter, Eddie Rittenbaum, Vince Sowerby, Bobby Scherer, and Steve Wilson.

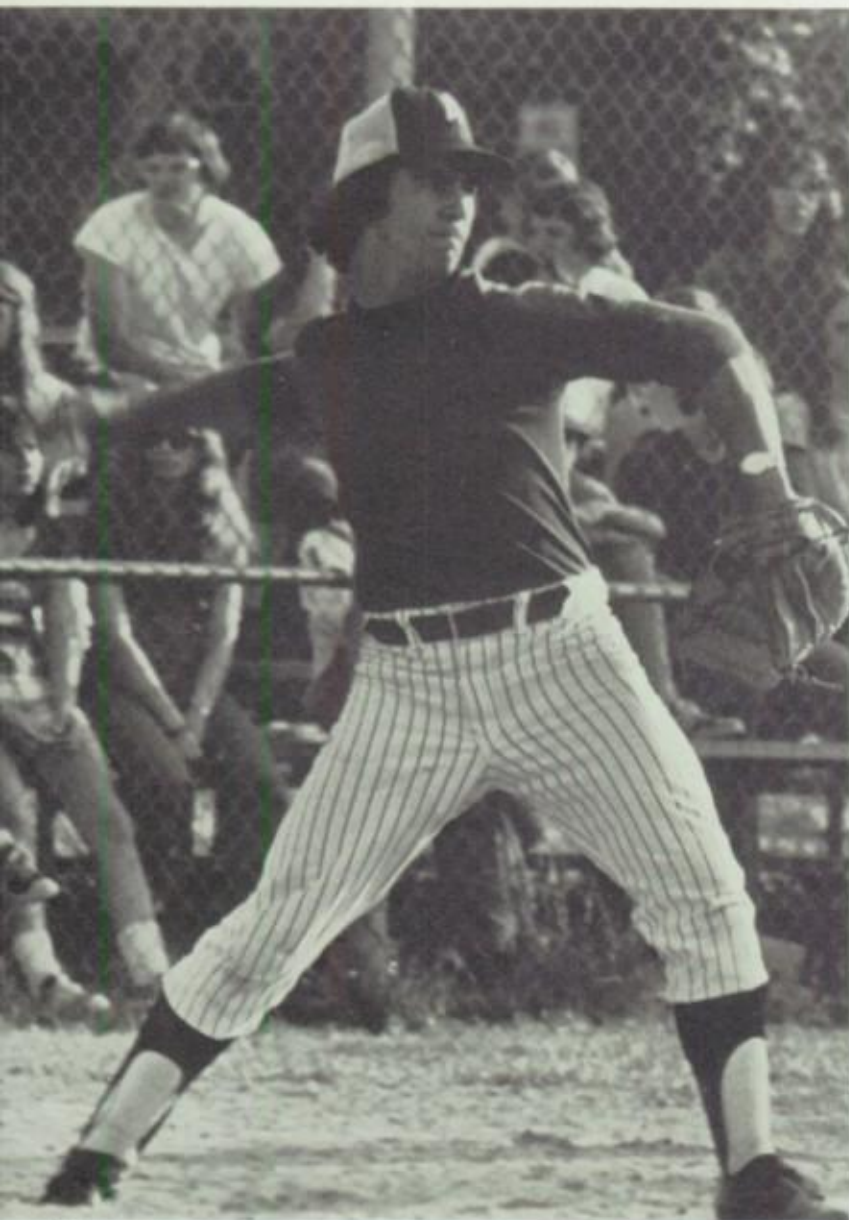

COACH: Mr. Neely Young.

Varsity Baseball

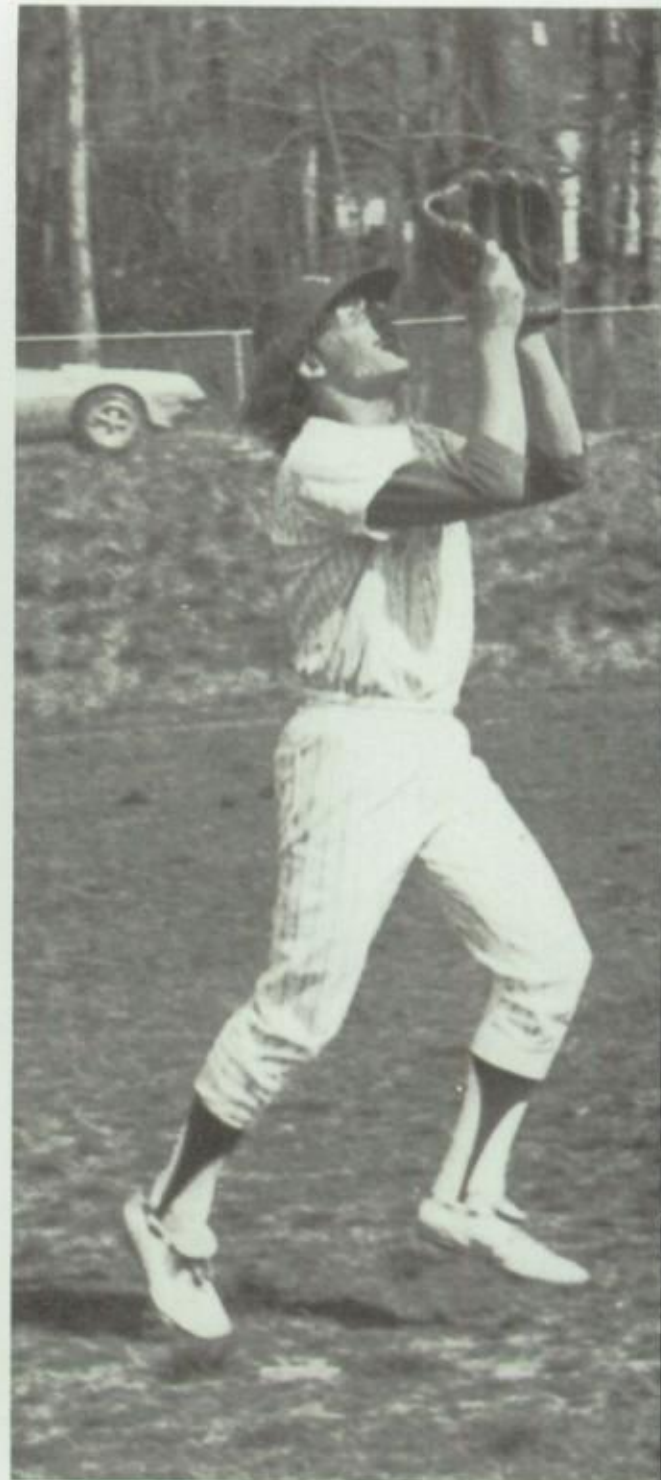

The Varsity Baseball team had an excellent year; the record was 10 wins and 8 losses. Coach Owens described this year's team as the best he ever coached. The team won the Sub-Region Championship and placed second in Region 7B. There were excellent performances by many individuals on the team. Scott Fogel was the most improved player with the second highest batting average on the team and led the team with nineteen runs. Lenny Cohen led the team with sixteen RBI's. Russ Mathis had the highest batting average with .367; he also led the team with stolen bases, eleven. David Primm was chosen as most valuable player; he was a very knowledgeable player with a great attitude. He was second on the team with RBI's, 15 and second on the team with stolen bases, 10. For the past two years David Primm has been an outstanding pitcher. With all of these outstanding players and the rest of the team's support, one can truly see why this was one of the best teams at Pace.

LETTERMEN: Lenny Cohen, Scott Fogel, Greg Ford, Jeff Gold, Brian Kahn, Bob Maleeny, Russ Mathis, Robert Murphy, David Primm, Roger Strauss, T. J. Wilson, and Mike Yandell. PARTICIPANTS: Joe Batey, Charlie Cowan, and Ricky Guthman.

COACH: Mr. Charles Owens.

Gymnastics

As a result of 7:00 a.m. practices every morning and lots of team spirit, Pace Academy's gymnastic season proved to be quite enjoyable. Although the team only had two wins out of seven games, there was a lot of fun. The team went to Six Flags in May, and all of the participants chipped in and presented Mrs. Potchad with a watch. There were difficult times for the team, too; Pace played teams such as Westminster, Briarwood, Riverwood, Sequoyah, and Woodward. Although the actual record was not good, the fun, spirit, and hard work from the girls resulted in a dedicated team.

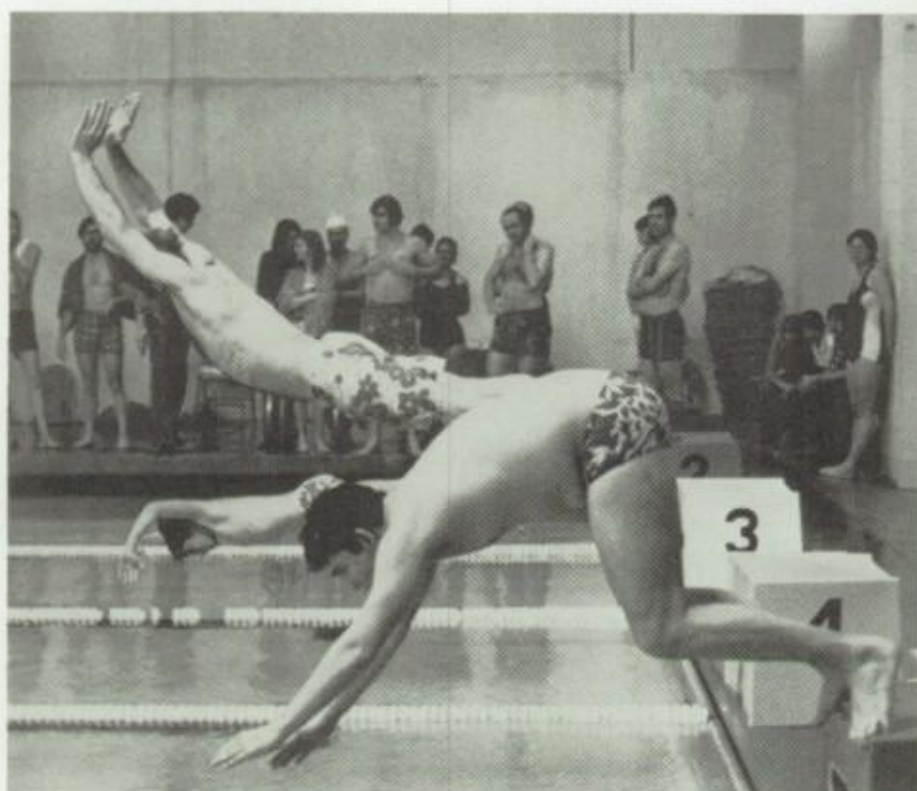

COACH: Mrs. Charlene Potchad.

PARTICIPANTS: Gail Allison, Leslie Redden, Missy Garlington, Susan McLester, Claire Griffith, Lisa Kalish, Kathy Horinstein, Debbie Maslia, Elizabeth Bradshaw, and Jodi Fogel.

Student-Faculty Olympics

The Student-Faculty Olympics were staggered throughout the year and were enjoyed by all who participated. The Men's Basketball game was won by the faculty; the Girl's game was a tie. The Volleyball games were won by the faculty. The Baseball game was a tie, but the Swimming games were won by the students. When the yearbook staff went to find the facts about these games, no one knew any scores, but everyone said the games were fun.

Deerwoode

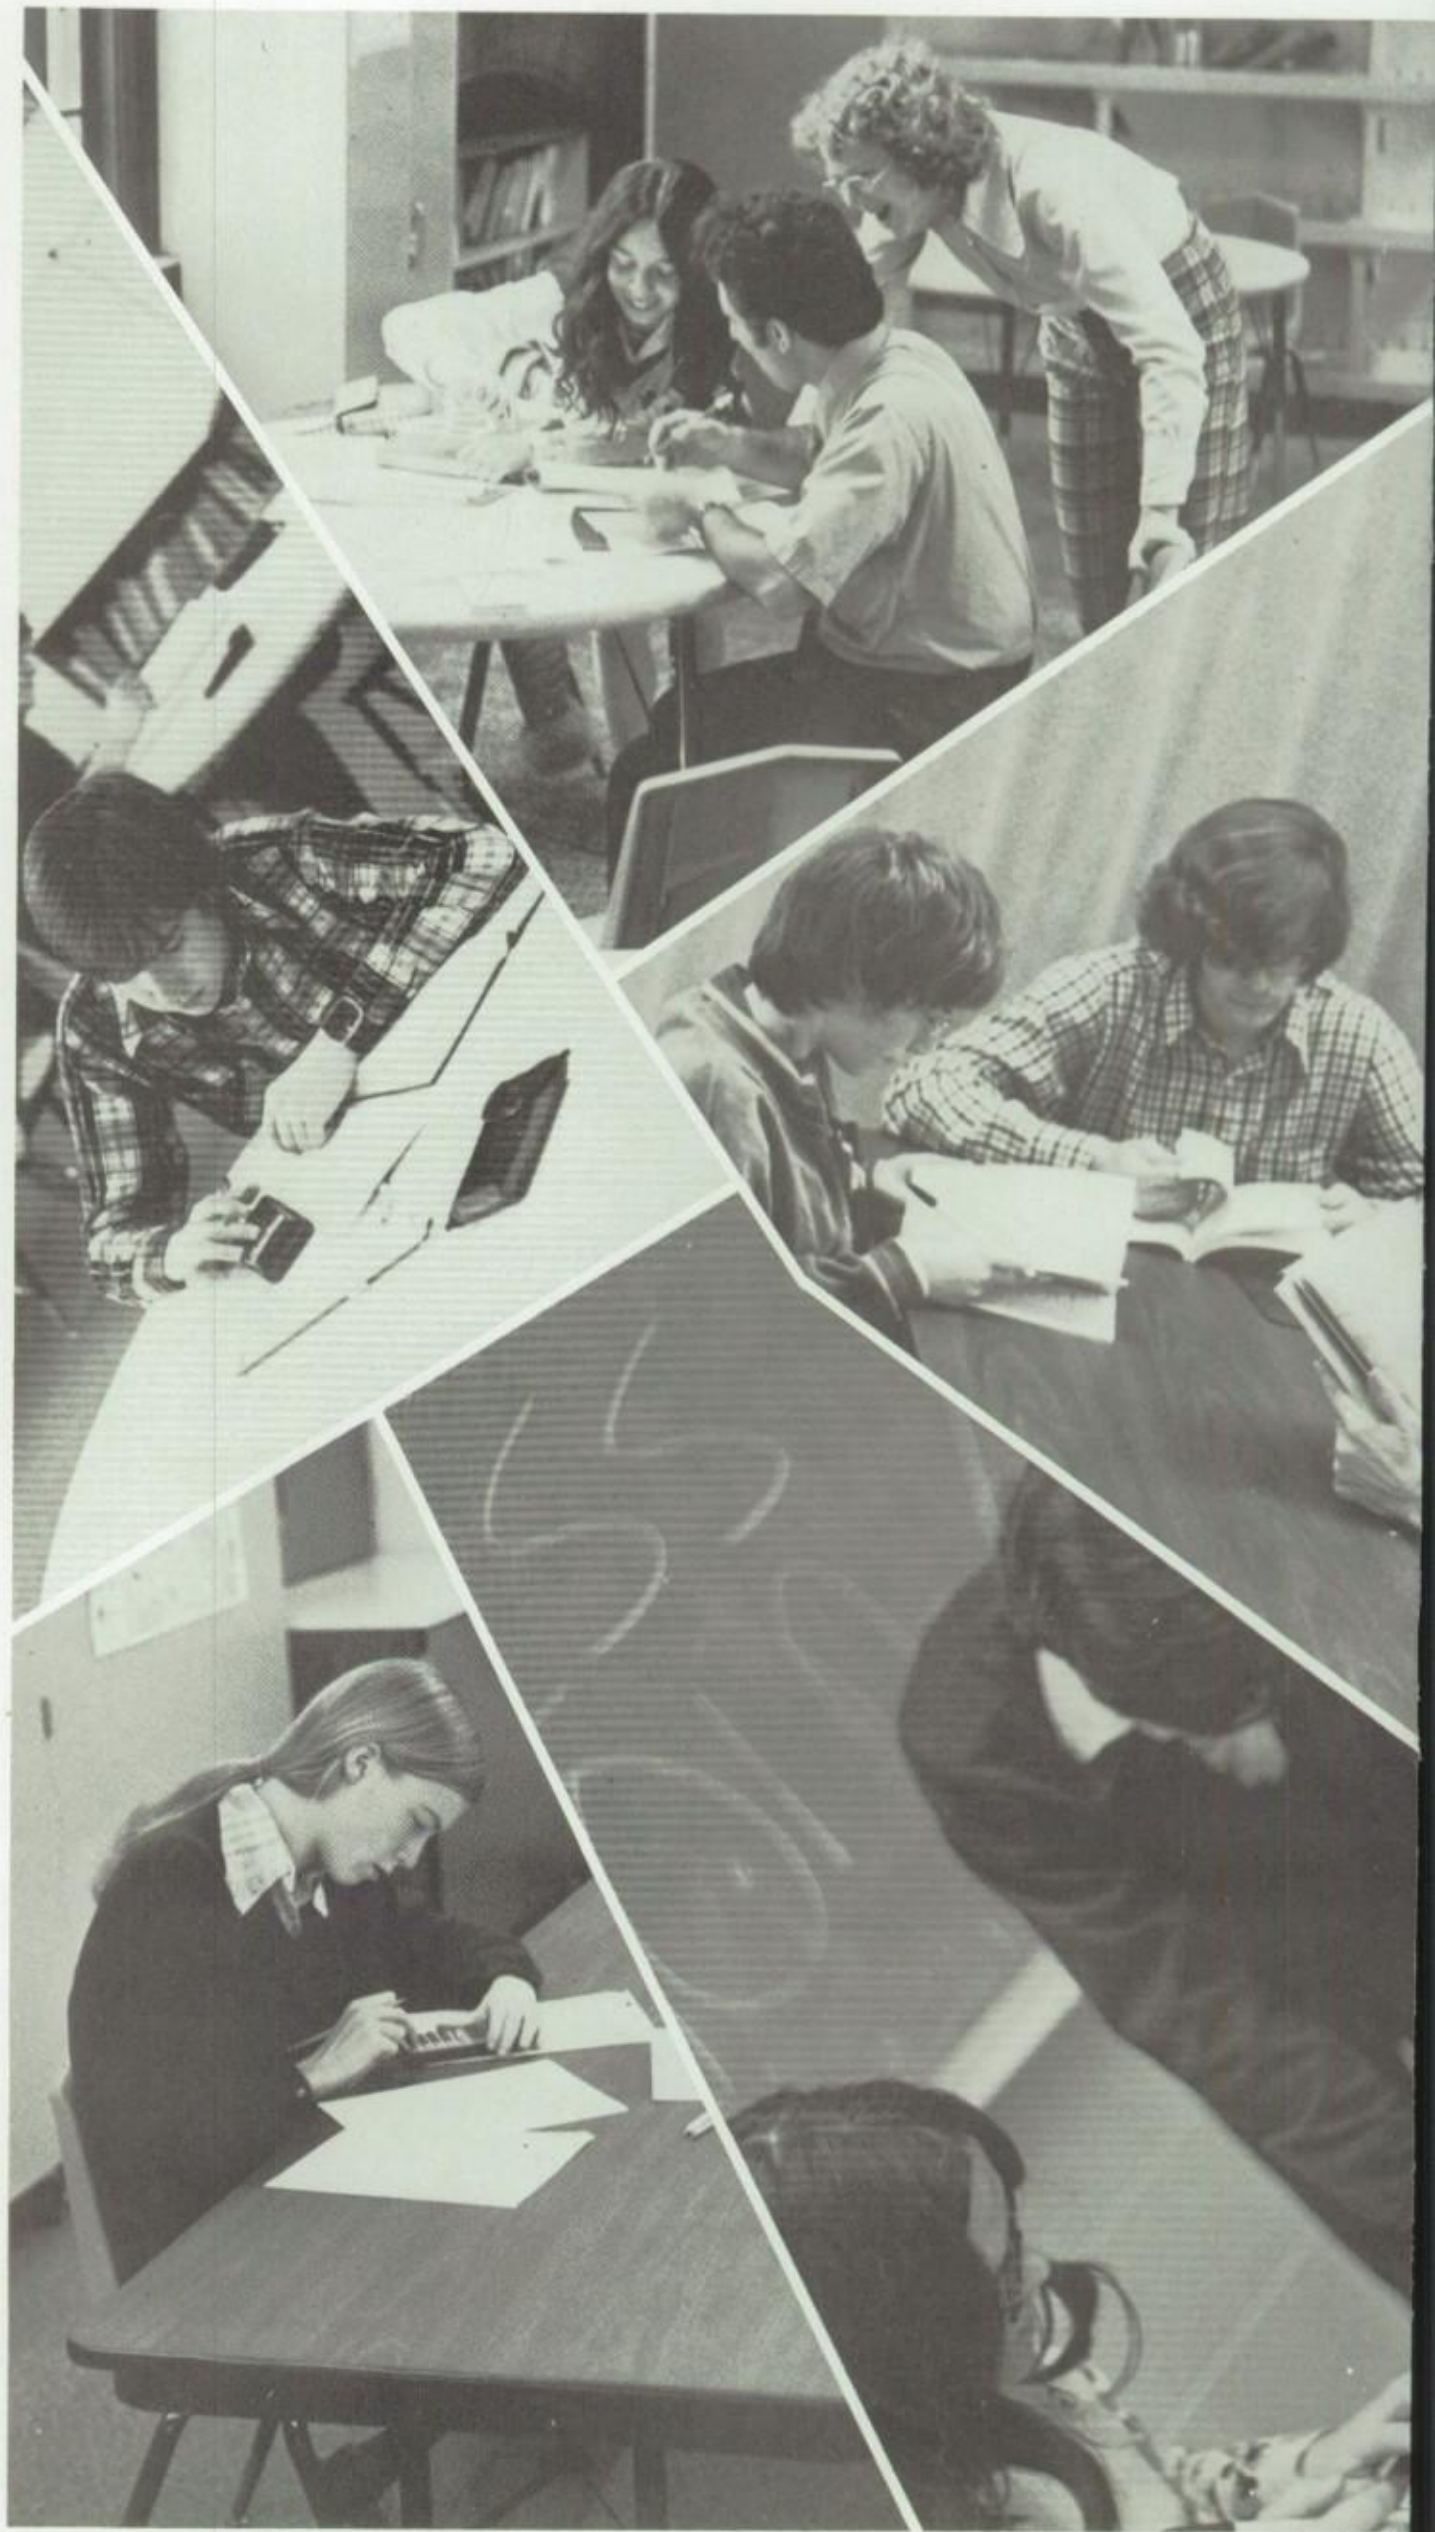

The Deerwoode Excursion was new this year. The freedom of outdoors and nature allowed time for us to get to know each other better. Anyone in grades 1 to 6 was eligible to go with Farmer Chambers and Blue-Jean Gold. Once settled into "Hilton Inn," there were many things to do — watch a hen lay an egg, pet animals in a nature area, play murder ball in the gym, take canoe trips, and swim. There was even a trip to Mount Pisgah and the Cradle of Forestry exhibit. "Anybody Hungry?" It seemed with all the activity that no matter how much you ate, you were always starved again by the next meal time. After supper there was the council fire with toasted marshmallows, and with stories by Bill Mays of Crazy Jack and of the Ghost of Cabin 13. "It's a Happy Day," our theme song, symbolized our whole experience.

SCHOLARSHIP

We study to help us be better prepared for our future. We study what others have done so that we may copy their successes and avoid their failures. Study, homework, research papers and essays are hard work, but they help us learn to think in an orderly fashion. In the future we will be faced with many different kinds of problems we have not seen before. We must be able to think clearly if we are to have a good chance to solve them.

PRINCIPAL'S AWARD —

This year meant many things to Pace students. There were new ways to get involved and new ways to share and learn — Deerwoode, Wrestling, J.V. Baseball, the Pace Picnic, a ski trip to Colorado, a trip to Washington and Williamsburg, a See Georgia trip. . . . With the unprecedented success of Pace teams, it was a year filled with excitement for both team members and spectators. For some it meant harder work to win next year, but for most it was a year of success and accomplishment.

Amy,
How are you.
I don't know what I'm
saying or doing. Hope
to become good friends
with you. Hope to have
fun in all of our
classes. Especially French.
I'm sorry if I didn't
write to much but I
really don't have any
to say. From

Deedee
Rutledge

To Amy,
A nice girl who
needs to cut down
on the talking for
wrongdoings must stop.
